IN THIS ISSUE: GREAT GIFT IDEAS!

Here at ***PREVIEWS*** we always prepare for the holidays well in advance. And that goes for Christmas and Hanukkah too! In this November issue, we're listing product to be on sale in stores this month, and right up to early December (and beyond, for you procrastinators out there!). November is the prime gift-buying month for those that like to get a jump-start on the season, so to help you and others find the perfect gifts for their friends and loved ones, we're highlighting some of our favorite gift picks this month. Just look for our *Gift Idea* icon throughout this issue!

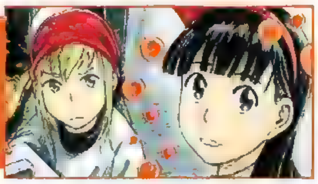
And for some great ideas in the best in graphic novels, books, and collectibles, be sure to check out our spread of some of our recent favorites, located on **pages 218-219!**

INDIE EDGE MICHAEL & LAURA ALLRED

Mike Allred is the talented writer/artist behind the creation of *Madman, The Atomics, Red Rocket 7* and the upcoming *X-Ray Robot*. He's quite passionate about the late great David Bowie, and he's turned that energy toward illustrating the story of the rock icon's life in *BOWIE: Stardust, Rayguns, and Moonage Daydreams* from Insight Comics. In honor of the debut of this graphic novel, ***PREVIEWS*** reached out to Mike and his talented wife, Laura (who's the go-to colorist for many of comics' top talents) to find out what gives them their Indie Edge! See **page 12**!

MANGAPEDIA:

"TO TRANSLATE, OR NOT TRANSLATE..."



One Peace Books provides this month's *MANGApedia* entry on the subject of translating manga from its native Japanese language into English. It's not as easy as it sounds, and can be quite difficult due to the differences in how each of our languages functions on multiple levels within our societies. Learn more about this fascinating topic on **page 375**!

GIVING THANKS (YEAR TWENTY-FOUR)

Back when I became the editor of ***PREVIEWS*** some twenty-four years ago, each year around this time, I have acknowledged those things in my life for which I am most thankful. As per previous years, I'll point out that everyone has their own things for which they're thankful, and these are mine… in no particular order.

I'm thankful for the great bunch of people that I work alongside here at ***PREVIEWS***, in an industry I love, as your monthly host. And these things too...

- I am *thankful*… that I have a roof over my head to call my own! I'm still unpacking, but my house will eventually be my home…
- I am *thankful*… for my West coast pals Mark, Chris, Dwayne, Mike, and J.W.!
- I am *thankful*… for my East coast pals Tom & Lisa, Marc, Scott, Mikey, Jeff, Vince, Dave, Rich, Michel, Brandy, and my trivia team at Mother's North!
- I am *thankful*… to all of you out there, our faithful readers, who make our work here each month worthwhile!

Finally, I am most thankful for my family… my older brother Carl, his wife Diana, their four sons Jeremy, Carl, Dustin and Travis, their wives/girlfriends, and their great kids. I just met my nephew Carl's new son, Carl Oswald Grosser III (everyone calls him "Wally" after my dear old dad) this past September, and he's definitely a Grosser! I stayed with my brother and his wife at their home in the hills above Sacramento and got to see everyone before I left for the East coast again. And of course, the great niece and nephews all got some nerdly swag from Uncle Marty, who brought another suitcase of random awesomeness in the form of toys and collectibles. We had a blast, and nothing was "mint in package" when the dust cleared, as it should be.

I got the hard press to come back for the holidays… we'll have to see about that.

And finally, wherever you may find yourself this month, have a Happy Thanksgiving and get ready for the holidays!

Your Pilgrim Pal @ ***PREVIEWS***,

Marty

Marty

It's all work *and* lots of fun at the fictional Berke's Comic Shop in our new strip, ***Comic Shop Tales***! Come back each month for a new tale, and go online at ***PREVIEWS***world.com for more strips during the month!

The Overstreet Price Guide to Batman Available Soon

Batman is among the most popular comic book characters in history, steadily appearing in comics since 1939, along with many roles in other forms of entertainment. As Batman saw his 80th birthday in 2019, *The Overstreet Price Guide to Batman* was written to celebrate the character.

The book is filled with historical content and thousands of prices for Batman collectibles. There is a full pricing section on *Batman*, *Detective Comics*, and all other Batman titles, cover galleries, and features on original art and comic strips. The book provides background information and prices on collectibles from movies and TV shows, video and tabletop games, novels, and radio programs. Action figures and toys are explored from the '60s Batmania to modern material. *The Overstreet Price Guide to Batman* will be on sale in November 2019.

- **Bowie HC** *(See Page 302 to Order!)*

MADMAN
ROCKET

Please tell us a bit about yourselves!

Eisner, Harvey, and MTV Fandom winner Michael Allred has been making comics full time since January 1990. He's worked on virtually every major comic character at least once including, the *Fantastic Four, Silver Surfer, Daredevil, Wolverine, and Adam Warlock*. He has co-created several Marvel Mutants with Peter Milligan including Zeitgeist, as seen in *Deadpool 2*, and the new series, *The X-Cellent*. He co-created *iZombie* with Chris Roberson. His popular solo creations include *Madman, The Atomics, Red Rocket 7* and the upcoming *X-Ray Robot*. His passion for David Bowie runs deep ever since first discovering his music as a kid in 1974. *BOWIE: Stardust, Rayguns, and Moonage Daydreams* could be described as a Rock and Roll Dream Come True.

Eisner award-winning colorist ***Laura Allred*** has been with her now husband Michael Allred literally from the moment they met when their eyes met and Michael asked if she wanted to go for a walk. What could have been quite risky has turned into a decades-long collaboration. They've travelled the globe, worked on countless projects, and grew their own "Partridge Family" exploiting their children's musical talents and forcing them into a family psychedelic Space Rock Band called *The Gear*, where Laura plays keyboards. In addition to coloring most of Michael's work, she has done coloring for Jaime Hernandez, Geof Darrow, Seth Fisher, and currently *Catwoman* with Jöelle Jones. Laura shares her passion for all things Bowie with her partner in crime, Michael. His first gift for her was the David Bowie album *Hunky Dory*. Working on *BOWIE: Stardust, Rayguns, and MoonAge Daydreams* may have been the most challenging and gratifying project in her celebrated career.

Michael, what are your favorite projects you've contributed to over the past decade?

Safe to say *Silver Surfer* with Dan Slott was my clear favorite project this past decade. To immediately follow it up with my other favorite "Starman" is a true childhood daydream come true. *BOWIE: Stardust, Rayguns and MoonAge Daydreams* is like a real-life continuation of my depiction of the "Power Cosmic". I think the above says it all, this designates *Surfer* as my past favorite, and *Bowie*... THE FUTURE!

Michael, what are you currently working on?

Two upcoming projects are currently on my drawing board.: *The X-Cellent*, an all-new *X-Men* series that spins off from *X-Statix*, with Peter Milligan; and *X-Ray Robot*, a new creator-owned mini-series that expands my "Madmaniverse"!

Michael, what fun titles are you reading?

Little Bird (*The Fight for Elder's Hold HC*/AUG190079):

Pretty Deadly (*Vol. 1*/FEB140533)

Ether (*Vol. 1: Death of the Last Golden Blaze TP*/MAR170043)

Laura, what fun titles are you reading?

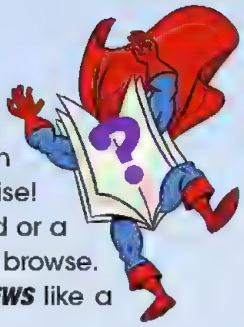
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

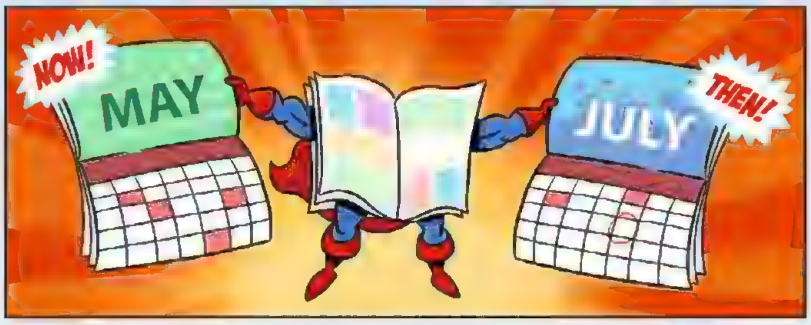
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

THOR REIGNS OVER ASGARD AS STORM CLOUDS LOOM IN DONNY CATES AND NIC KLEIN'S

THOR

The tumults of the War of the Realms long past, peace reigns over the Ten Realms as Thor, God of Thunder, sits on Asgard's throne as Donny Cates and Nic Klein begin their run on Marvel Comics' *Thor* this January!

Thor, prince of Asgard, has ascended the golden throne and rules Asgard, following in his father Odin's footsteps as her king, his eye restored, his arm returned, his enchanted hammer Mjolnir made new once more. Truly, a new day has dawned for the Ten Realms, and peace reigns over them, but shadows gather on the horizon. The Black Winter looms, a threat like none Asgard has ever faced before, and even the power of Thor may be powerless against it!

Donny Cates, the fan-favorite writer of *Venom*, *Guardians of the Galaxy*, and *Absolute Carnage*, adds the cosmic adventure of Thor to his already impressive resume in 2020 alongside artist Nic Klein (*Deadpool*, *Star Wars: Target Vader*). Says Cates: "From Stan Lee and Jack Kirby all the way to the legendary run I am so foolishly following, by the great Jason Aaron, it is beyond an honor to enter the golden halls of Asgard, and to pave the path (far beyond the fields we know...) for the Thunder God himself." A bold new direction for the series that is perfect for both new readers and long-time fans, Cates and Klein's *Thor* promises compelling action, thoughtful characterization, and the bold plotting that make this comic a captivating and imaginative read!

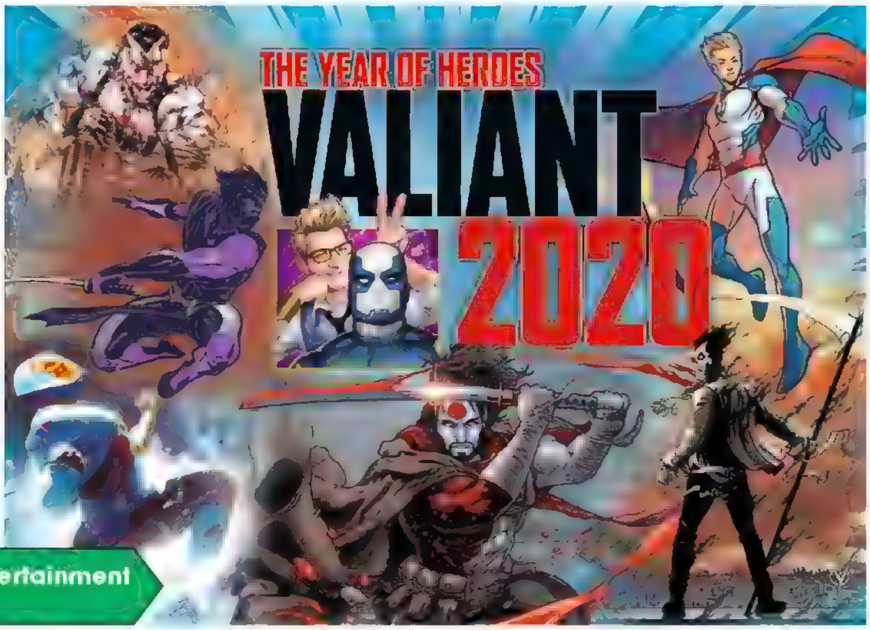
ARE YOU READY FOR VALIANT 2020? YOU SHOULD BE



352 ▪ Valiant Entertainment

Whether you're a long-time Valiant fan or a new reader looking to experience the most exciting super-hero universe in comics today, 2020 is a can't-miss year that will raise the bar on comics!

Each month, Valiant will be debuting brand-new series for iconic characters like X-O Manowar, Shadowman, Ninjak, and Harbinger as well as new fan-favorites like Punk Mambo and Savage and brand-new characters that will captivate readers and take the Valiant Universe to the next level!

First up in 2020, *Quantum & Woody* returns in a series from *Unbelievable Gwenpool*'s Chris Hastings and *Curse Words*' Ryan Browne. Q&W may be the world's worst super-hero duo, but they're also Earth's last hope against a league of mad scientists hell-bent on destroying the world! Why should you pick up *Quantum & Woody*? Hastings explains: "I wanted Quantum and Woody's arcs to consist of totally fun and satisfying single issue stories. Each one is a new angle on the wild and varied life of The World's Worst Superheroes, with some through-lines that slowly build into the larger arcs. You can pick up any issue out of order and enjoy it, but you're also rewarded for reading all of them, finding clues, seeing the larger context play out."

Later in 2020, Dennis "Hopeless" Hallum (*Spider-Man: City At War*) and Emilio Laiso (*Star Wars: Doctor Aphra*) upgrade Valiant's armored Visigoth in a new *X-O Manowar* series, *Shadowman* explores The Dead Side and the *loa* that rides the world, plus new series for *Ninjak*, *Harbinger*, *Punk Mambo*, *Savage*, and more!

Plus, there are new heroes, like Doctor Tomorrow — a fun super-hero series about a young man who will face the hero… and villain… he will become across the dimensions — as well as a debuting super-hero on the hunt for a serial killer in Valiant's new murder mystery series!

And *Rai* and *Bloodshoot*, from Dan Abnett, Juan Jose Ryp, Tim Seeley, and Marc Laming cannot be forgotten as Bloodshot makes his cinematic debut on February 21 in a film starring *The Fast and the Furious*' Vin Diesel as Valiant's super soldier alongside Guy Pearce, Sam Heughan, and Eiza Gonzalez!

"Valiant has always been about the future of comics," says Valiant Publishing Fred Pierce. "With Valiant 2020 we're going to continue to raise the bar for great stories with the best characters and creative [talents] in the industry." Senior Editorial Director Robert Meyers: "Valiant 2020 will be a…vision…of the future of comics."

Valiant has new and exciting projects ahead, and the energy and excitement begins with January's *Quantum & Woody* then carries on throughout the year. Buckle up, it's going to be one fun ride, whether you're new to the Valiant Universe or a long-time fan! The future of comics begins here!

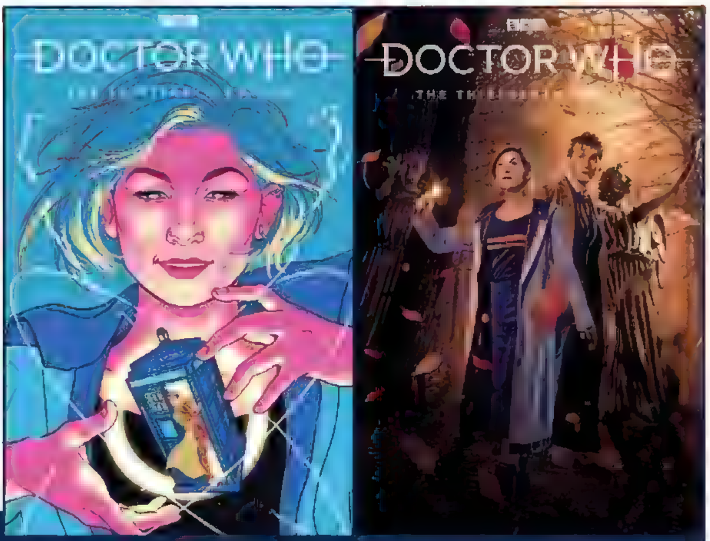
TENTH AND THIRTEENTH DOCTOR JOIN FORCES IN NEW SERIES!

Doctor Who: The Thirteenth Doctor Season 2 #1

The critically-acclaimed comic returns for a second season with Eisner-nominated **Jody Houser** (STRANGER THINGS, SPIDER-MAN) and artist **Roberta Ingranata** (SHADES OF MAGIC)!

We sat down with ***The Thirteenth Doctor*** series editor **Jake Devine** to find out what fans can expect from the Doctor and her "fam" in this new season.



JAKE DEVINE

How did you first encounter *Doctor Who*?

I think I've always been aware of *Doctor Who*, as my parents had both grown up with it. They would recall how they'd hide behind the sofa whenever the Daleks appeared!

The first time I remember seeing it myself was when the TV movie with the Eighth Doctor aired – I was too young to really follow it but I'll always state that as my first official *Doctor Who* experience.

When the revamped series arrived in 2005, I was ready to jump in! It did not disappoint! I loved everything about it, from Christopher Eccleston's quirky Doctor, to the incredible locations in time and space. I'm a sci-fi fan so it was right up my alley. I've been on board ever since.

What's it been like to help create such a well-loved adaptation?

In a word: surreal. From a 12 year old enjoying the Doctor's adventures every week on TV to now helping to bring the character to life in comic form, it's a dream come true.

I love being able to see the behind-the-scenes of the process: discussing plots with Jody Houser, seeing the development of the visual story from sketches to inks to color, and when the final thing is formed it just feels so rewarding. It's so great when you have a team that adores what they do, and are also big fans of *Doctor Who*.

> "Returning fan-favorite villains, new thrilling worlds, and classic fam banter that Jody Houser absolutely nails!"

What's your favorite aspect of either the comic or the TV show?

It's got to be time-travel. Imagine being able to go to any place in time – wherever and whenever you wanted, at the push of a button. One minute you're watching the Romans run from lava, the next water is drowning people on Mars! It's not knowing what to expect that gets me hyped-up the most.

Do you have a favorite *Doctor Who* villain?

The ever-impressive, dandy and dastardly Master played by John Simm is such a fantastically charismatic and equally evil character! The Sound of Drums is one of my favorite episodes.

What can you tell us about where this series is heading?

Obviously I don't want to say too much, but I'm very excited about what's in store. In light of having *Doctor Who* back on our screens early next year, we've got Year Two of brand new, Thirteenth Doctor stories. It's going to be crazy with returning fan-favorite villains, new thrilling worlds and classic fam banter that Jody Houser absolutely nails!

What would you say to the fans?

Hold on to your sonics Whovians, it's going to be an exhilarating experience you won't want to miss!

Check out the Titan Comics section for more information!

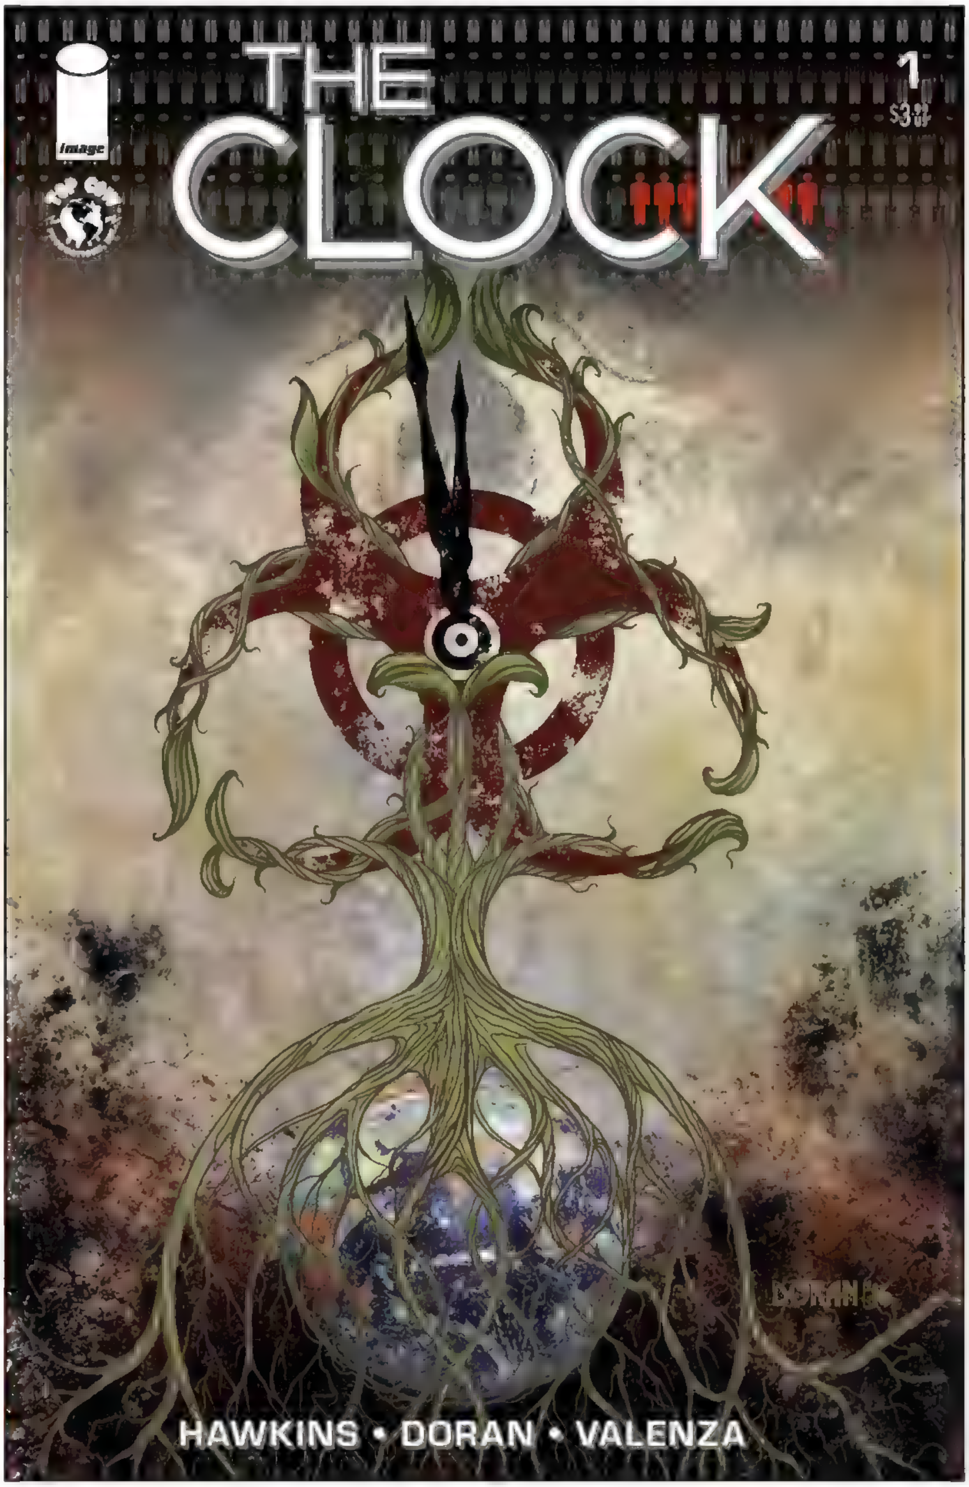
THE CLOCK #1 (OF 4)

WRITER MATT HAWKINS
ARTIST / COVER COLLEEN DORAN

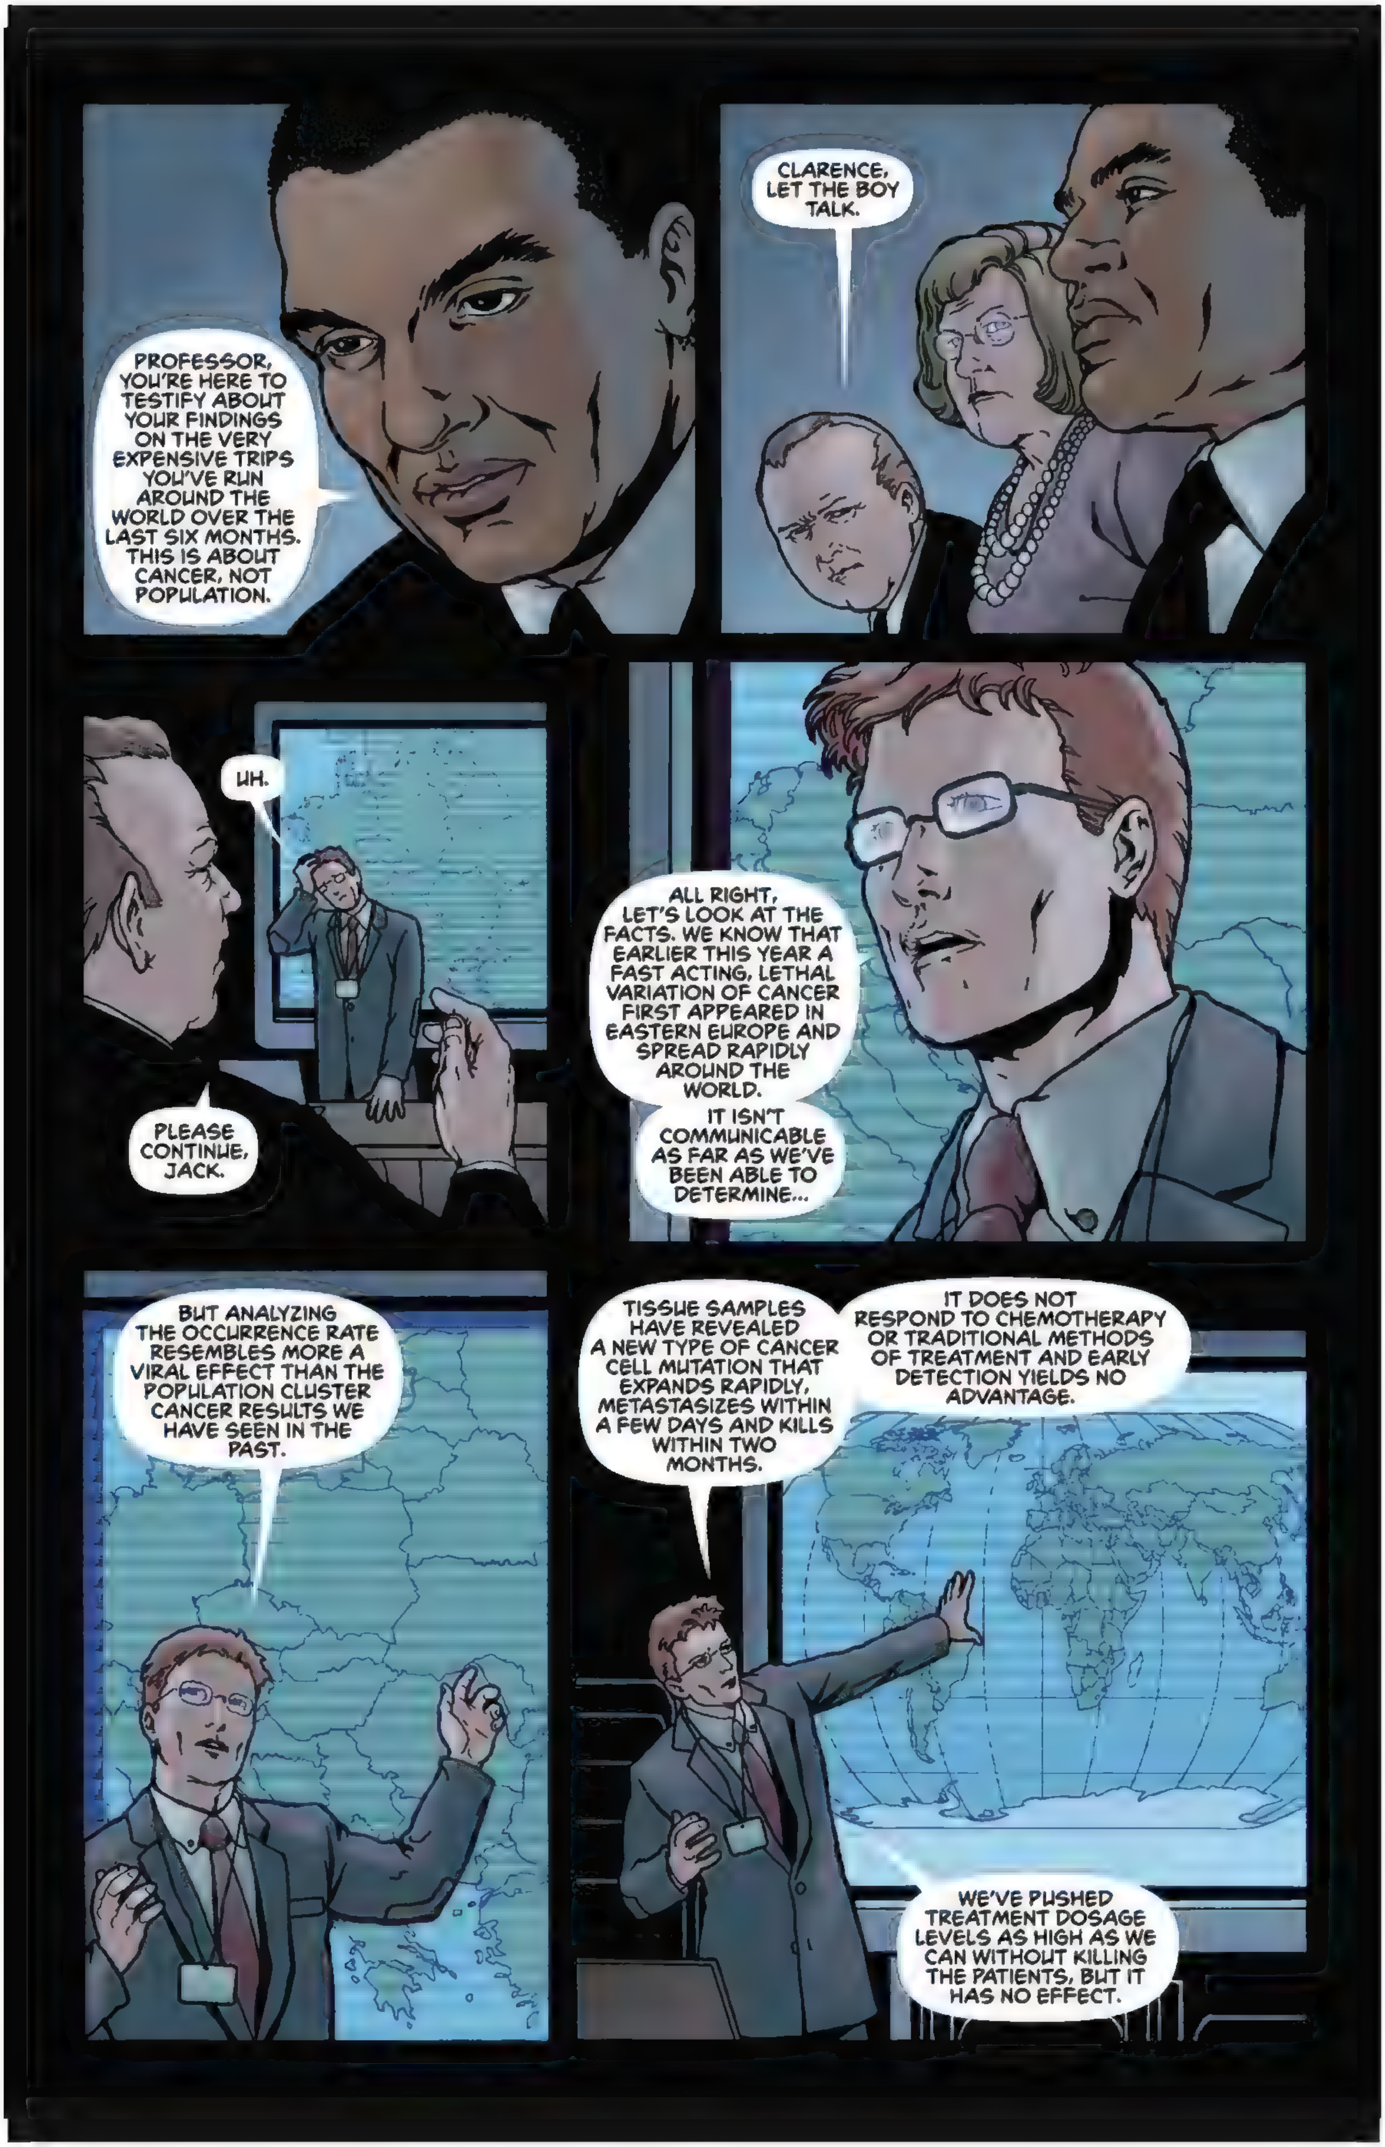
JANUARY 8 | 32 PAGES | FC | T+ | $3.99
SCIENCE FICTION, THRILLER | MINISERIES PREMIERE | TOP COW

Within three weeks, hundreds of millions of healthy people worldwide contract various forms of aggressive cancer, and the proliferation, seemingly a viral outbreak, stumps the best scientific minds available. But after a leading cancer researcher loses his wife and watches his nine-year-old daughter begin to succumb to the same illness, he must race against the clock to end a global conspiracy that could propel the world straight into WWIII...or worse.

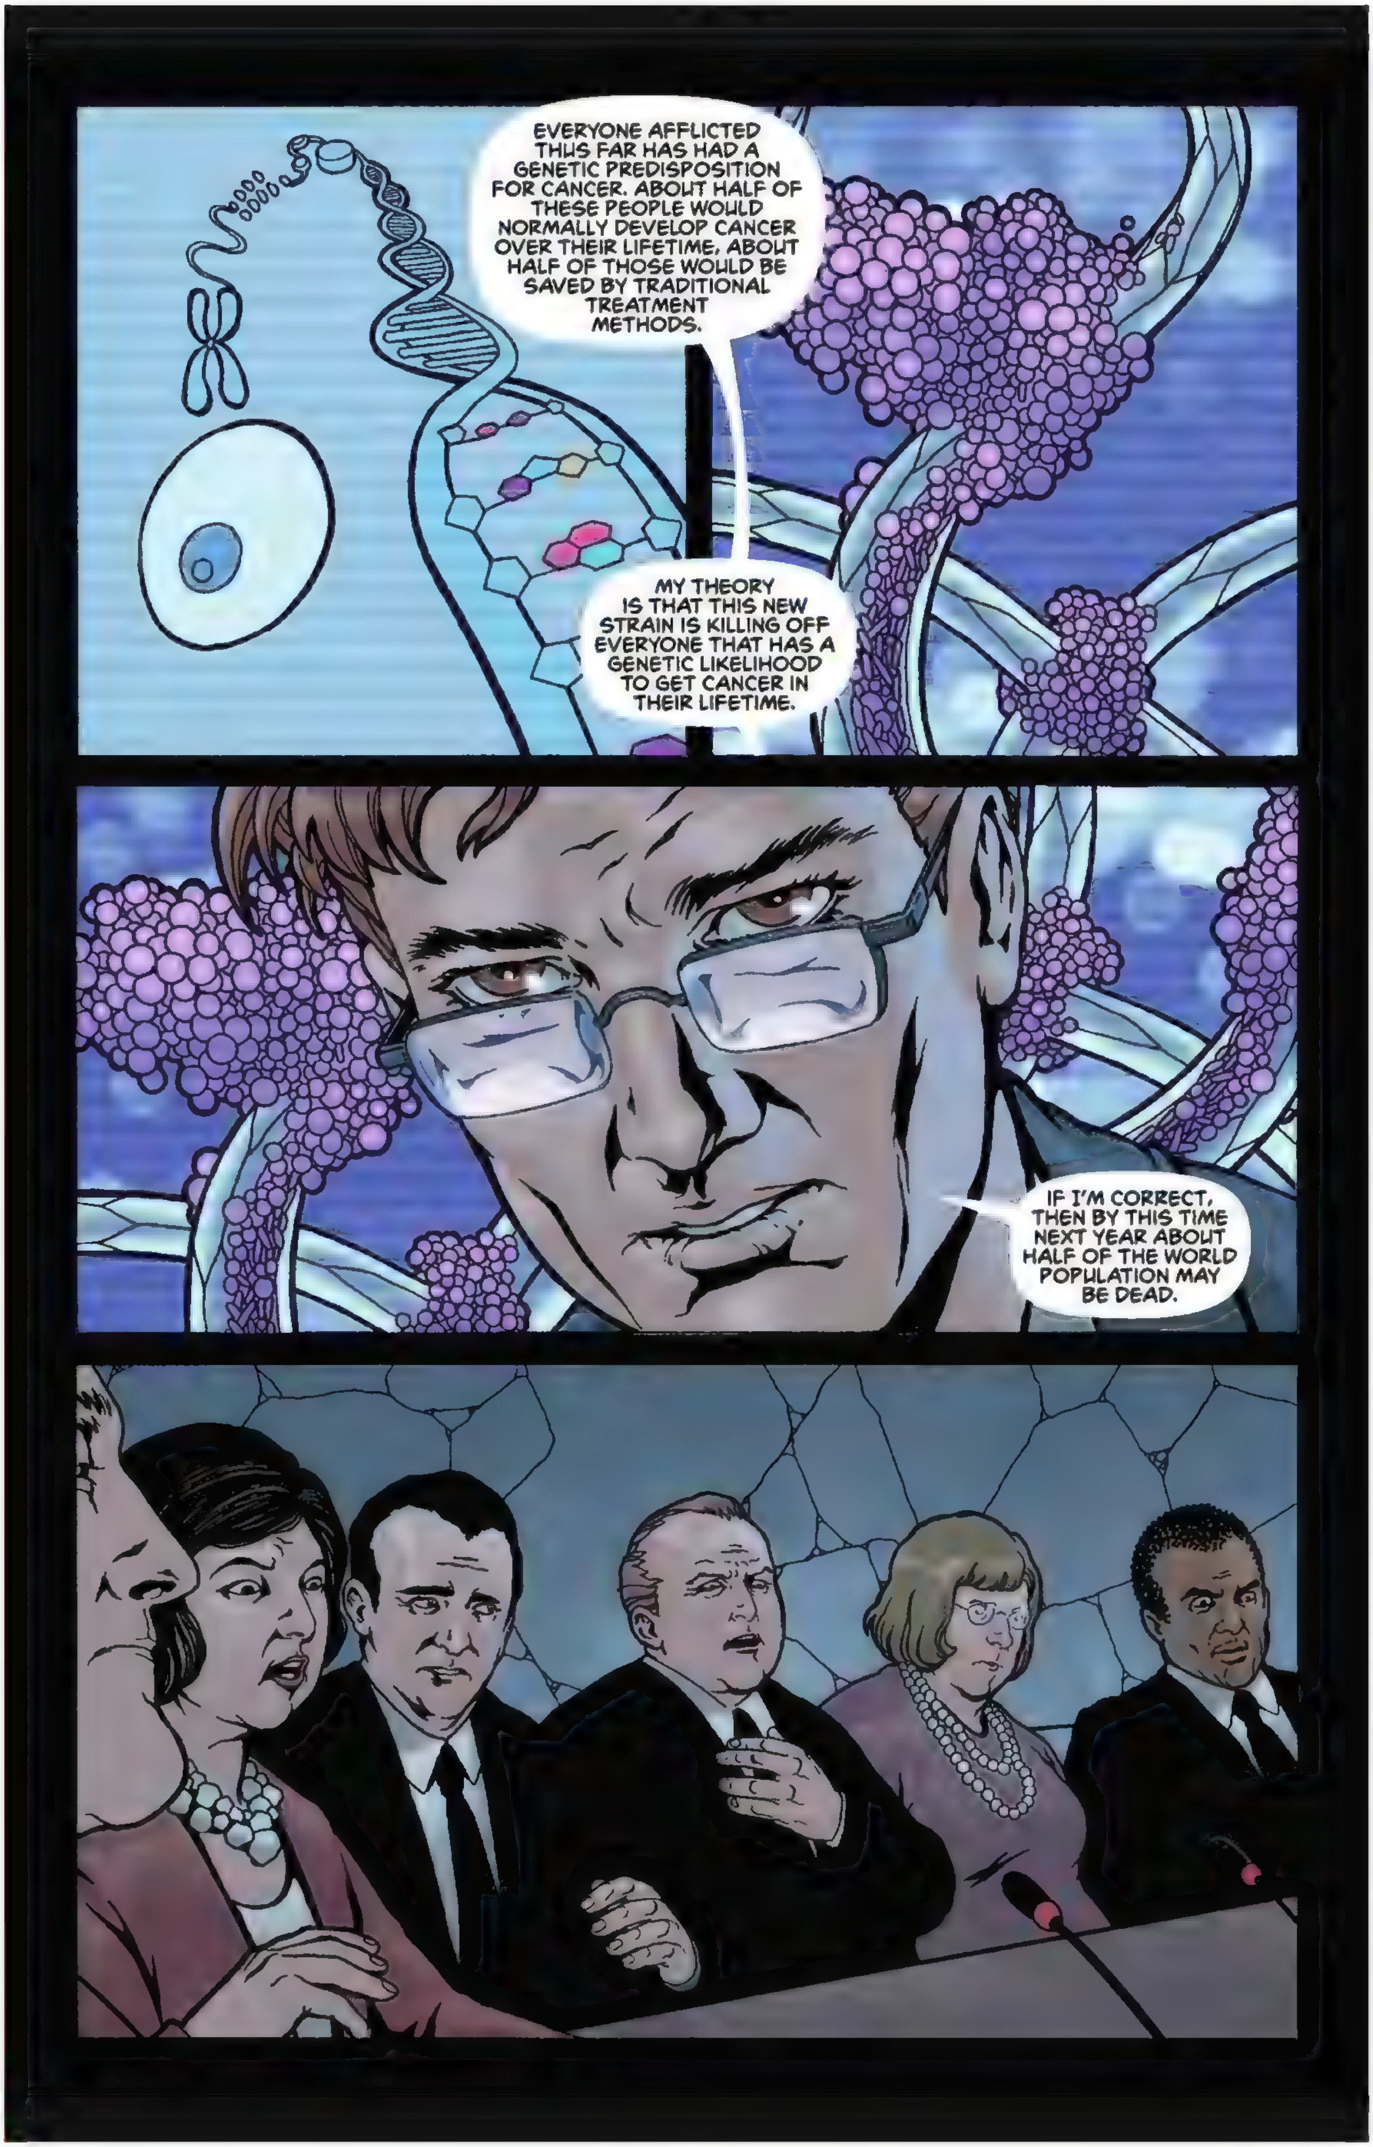
If you liked the suspense of HBO's **Chernobyl** and the breakneck pacing of science fiction comics like **THINK TANK**, you'll love **THE CLOCK**.



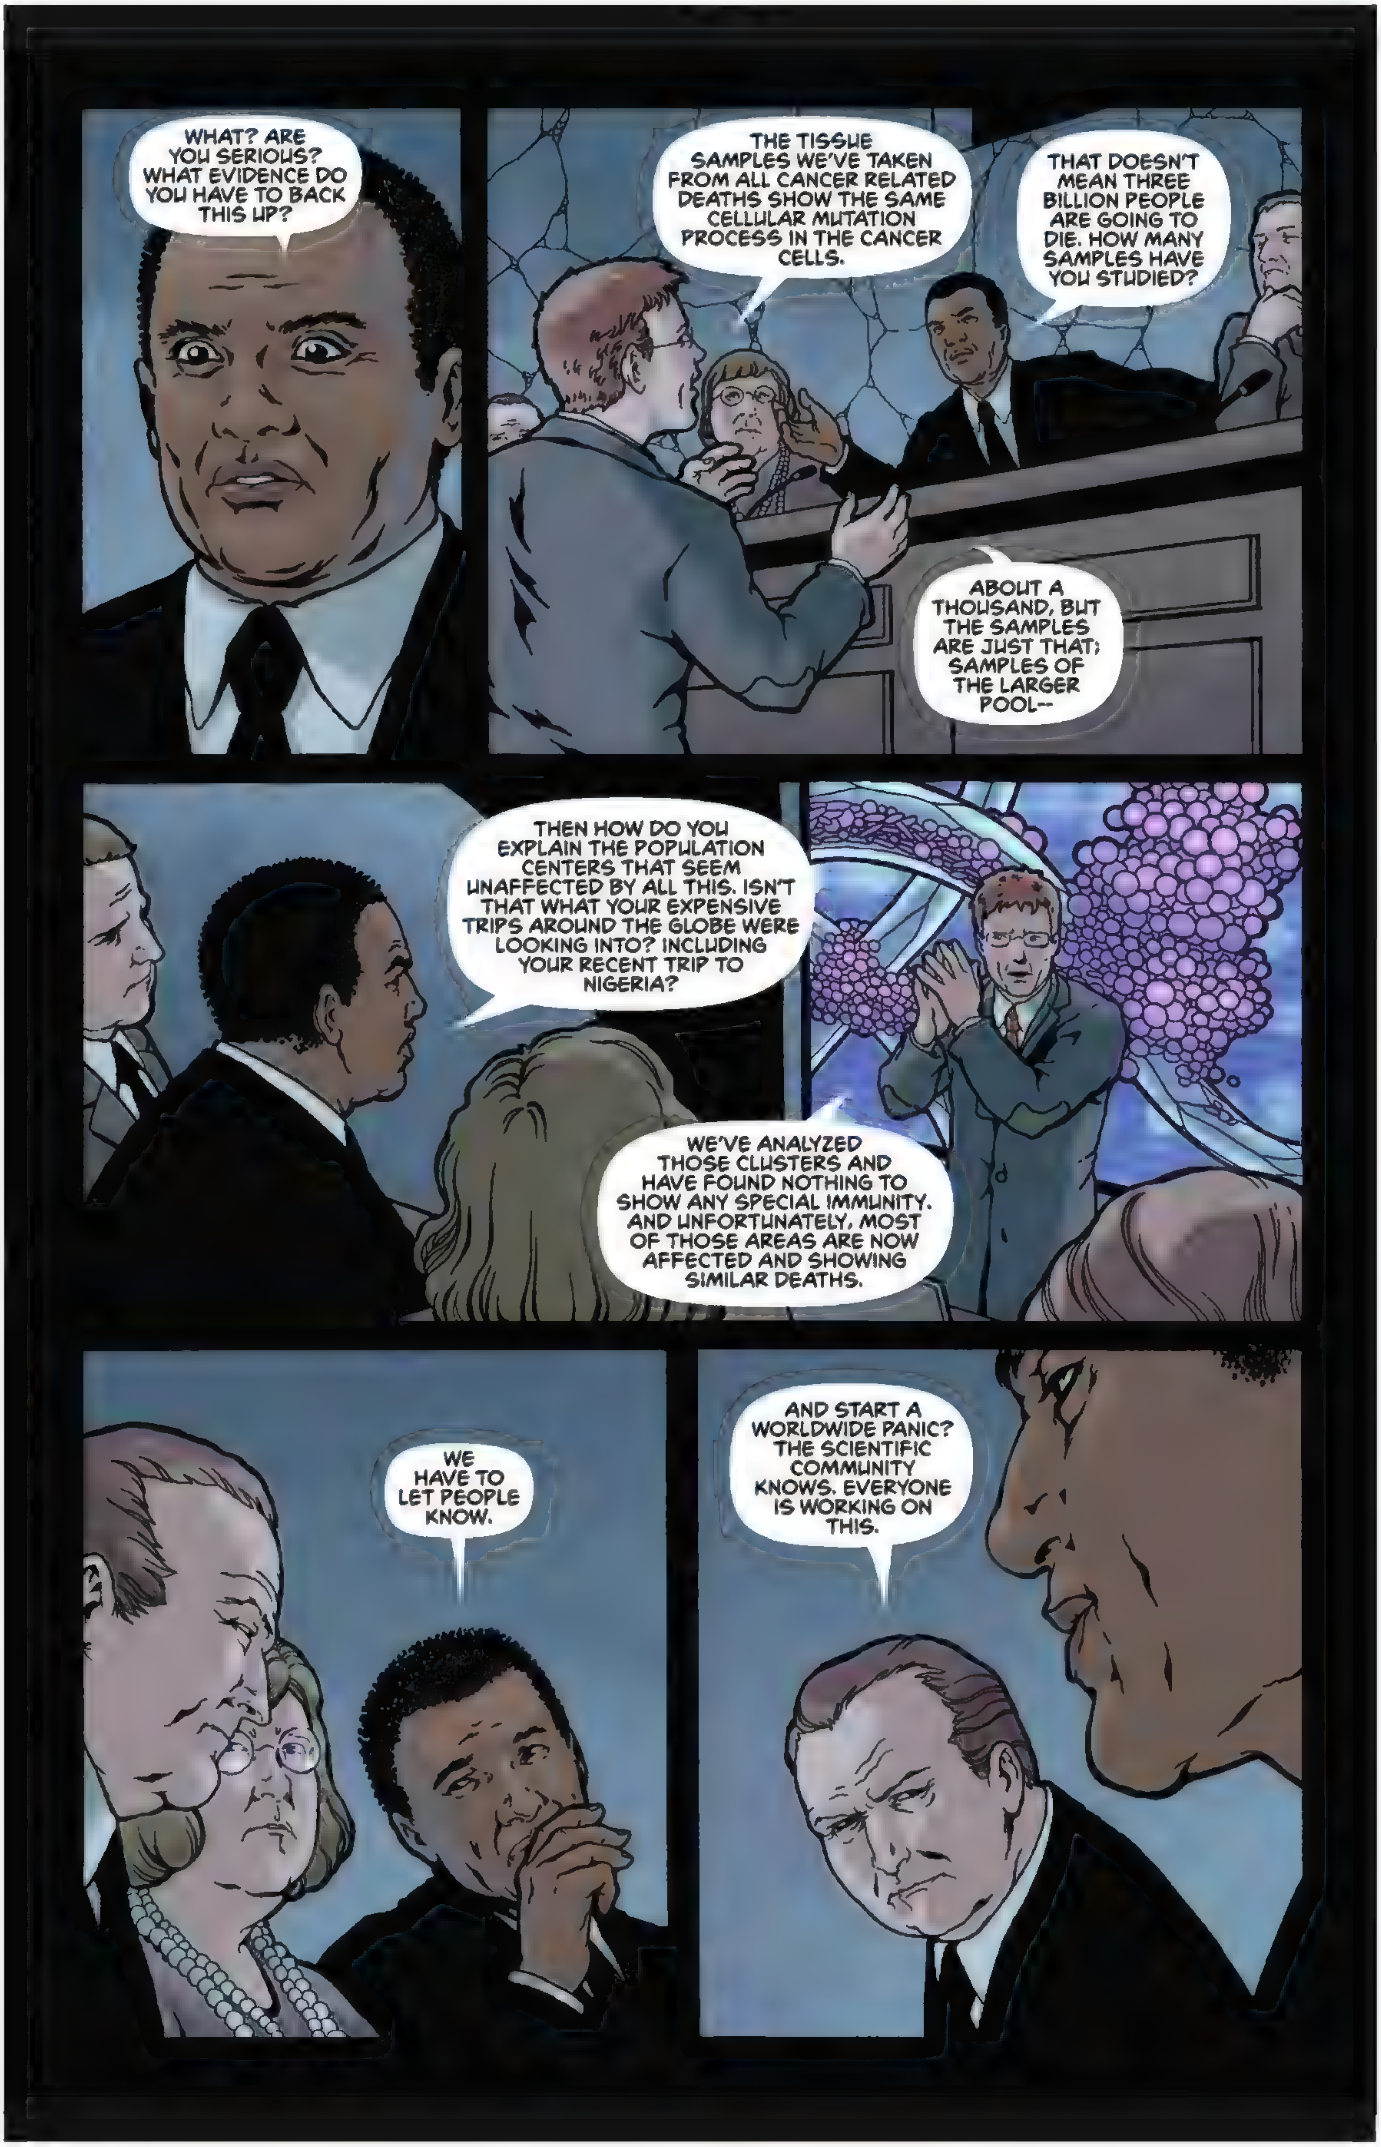
OFFERED AGAIN
A DISTANT SOIL, VOL. 1–3 TP
THINK TANK, VOL. 1–5 TP



PROFESSOR, YOU'RE HERE TO TESTIFY ABOUT YOUR FINDINGS ON THE VERY EXPENSIVE TRIPS YOU'VE RUN AROUND THE WORLD OVER THE LAST SIX MONTHS. THIS IS ABOUT CANCER, NOT POPULATION.
CLARENCE, LET THE BOY TALK.
UH.
PLEASE CONTINUE, JACK.
ALL RIGHT, LET'S LOOK AT THE FACTS. WE KNOW THAT EARLIER THIS YEAR A FAST ACTING, LETHAL VARIATION OF CANCER FIRST APPEARED IN EASTERN EUROPE AND SPREAD RAPIDLY AROUND THE WORLD.
IT ISN'T COMMUNICABLE AS FAR AS WE'VE BEEN ABLE TO DETERMINE...
BUT ANALYZING THE OCCURRENCE RATE RESEMBLES MORE A VIRAL EFFECT THAN THE POPULATION CLUSTER CANCER RESULTS WE HAVE SEEN IN THE PAST.
TISSUE SAMPLES HAVE REVEALED A NEW TYPE OF CANCER CELL MUTATION THAT EXPANDS RAPIDLY, METASTASIZES WITHIN A FEW DAYS AND KILLS WITHIN TWO MONTHS.
IT DOES NOT RESPOND TO CHEMOTHERAPY OR TRADITIONAL METHODS OF TREATMENT AND EARLY DETECTION YIELDS NO ADVANTAGE.
WE'VE PUSHED TREATMENT DOSAGE LEVELS AS HIGH AS WE CAN WITHOUT KILLING THE PATIENTS, BUT IT HAS NO EFFECT.



EVERYONE AFFLICTED THUS FAR HAS HAD A GENETIC PREDISPOSITION FOR CANCER. ABOUT HALF OF THESE PEOPLE WOULD NORMALLY DEVELOP CANCER OVER THEIR LIFETIME. ABOUT HALF OF THOSE WOULD BE SAVED BY TRADITIONAL TREATMENT METHODS.
MY THEORY IS THAT THIS NEW STRAIN IS KILLING OFF EVERYONE THAT HAS A GENETIC LIKELIHOOD TO GET CANCER IN THEIR LIFETIME.
IF I'M CORRECT, THEN BY THIS TIME NEXT YEAR ABOUT HALF OF THE WORLD POPULATION MAY BE DEAD.



WHAT? ARE YOU SERIOUS? WHAT EVIDENCE DO YOU HAVE TO BACK THIS UP?
THE TISSUE SAMPLES WE'VE TAKEN FROM ALL CANCER RELATED DEATHS SHOW THE SAME CELLULAR MUTATION PROCESS IN THE CANCER CELLS.
THAT DOESN'T MEAN THREE BILLION PEOPLE ARE GOING TO DIE. HOW MANY SAMPLES HAVE YOU STUDIED?
ABOUT A THOUSAND, BUT THE SAMPLES ARE JUST THAT; SAMPLES OF THE LARGER POOL--
THEN HOW DO YOU EXPLAIN THE POPULATION CENTERS THAT SEEM UNAFFECTED BY ALL THIS. ISN'T THAT WHAT YOUR EXPENSIVE TRIPS AROUND THE GLOBE WERE LOOKING INTO? INCLUDING YOUR RECENT TRIP TO NIGERIA?
WE'VE ANALYZED THOSE CLUSTERS AND HAVE FOUND NOTHING TO SHOW ANY SPECIAL IMMUNITY. AND UNFORTUNATELY, MOST OF THOSE AREAS ARE NOW AFFECTED AND SHOWING SIMILAR DEATHS.
WE HAVE TO LET PEOPLE KNOW.
AND START A WORLDWIDE PANIC? THE SCIENTIFIC COMMUNITY KNOWS. EVERYONE IS WORKING ON THIS.

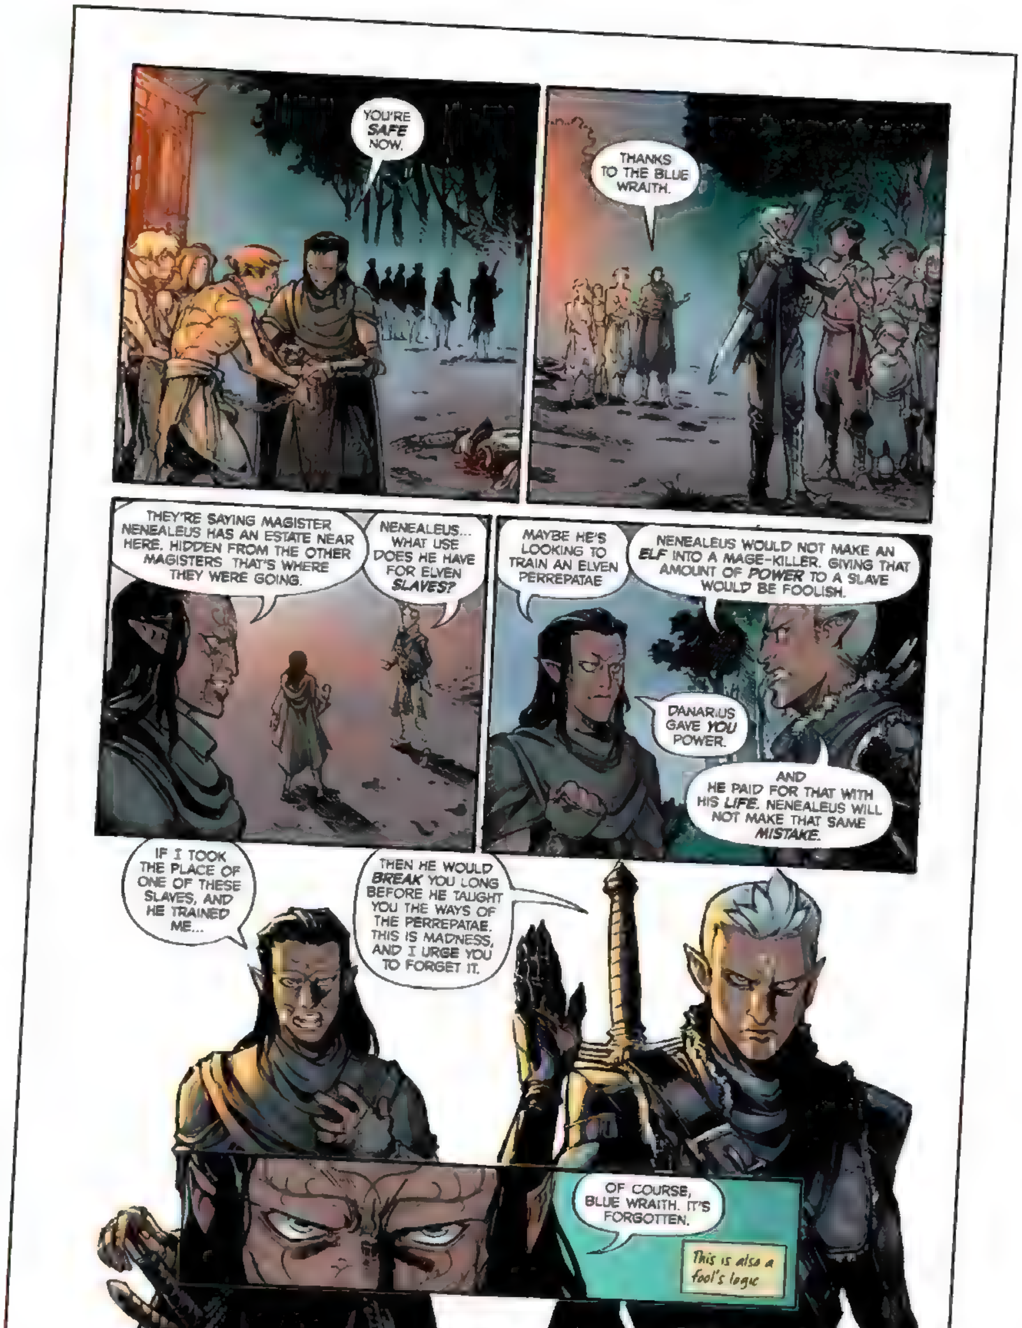
Fenris—the beloved character from *Dragon Age II*—makes his comics debut in this canonical continuation of BioWare's dark fantasy epic! With the fanatical Qunari seeking to topple the Tevinter mageocracy, one powerful young mage's desperate search for her father brings her face-to-face with a notorious mage hunter—Fenris, the Blue Wraith.

- **Find out what Fenris has been up to since the incident in Kirkwall.**
- **Brought to you by the team behind both *Dragon Age: Knight Errant* and *Dragon Age: Deception*.**



YOU'RE SAFE NOW.
THANKS TO THE BLUE WRAITH.
THEY'RE SAYING MAGISTER NENEALEUS HAS AN ESTATE NEAR HERE. HIDDEN FROM THE OTHER MAGISTERS. THAT'S WHERE THEY WERE GOING.
NENEALEUS... WHAT USE DOES HE HAVE FOR ELVEN SLAVES?
MAYBE HE'S LOOKING TO TRAIN AN ELVEN PERREPATAE
NENEALEUS WOULD NOT MAKE AN ELF INTO A MAGE-KILLER. GIVING THAT AMOUNT OF POWER TO A SLAVE WOULD BE FOOLISH.
DANARIUS GAVE YOU POWER.
AND HE PAID FOR THAT WITH HIS LIFE. NENEALEUS WILL NOT MAKE THAT SAME MISTAKE.
IF I TOOK THE PLACE OF ONE OF THESE SLAVES, AND HE TRAINED ME...
THEN HE WOULD BREAK YOU LONG BEFORE HE TAUGHT YOU THE WAYS OF THE PERREPATAE. THIS IS MADNESS, AND I URGE YOU TO FORGET IT.
OF COURSE, BLUE WRAITH. IT'S FORGOTTEN.
This is also a fool's logic

Death arrives in this darkly humorous and brilliantly illustrated tale created by Nicholas Gurewitch, author of *The Perry Bible Fellowship Almanack*!

Death becomes a patient of a recently bereaved psychoanalyst. The topic of discussion? His frolicsome child, who has no apparent interest in grim reaping! Featuring an unfathomable number of lines which have been hand chiseled into inked clay, this labor of love by Nicholas Gurewitch invokes the morbid humor of his comic strip (*The Perry Bible Fellowship*) and the spooky silent-film qualities of the late Edward Gorey.

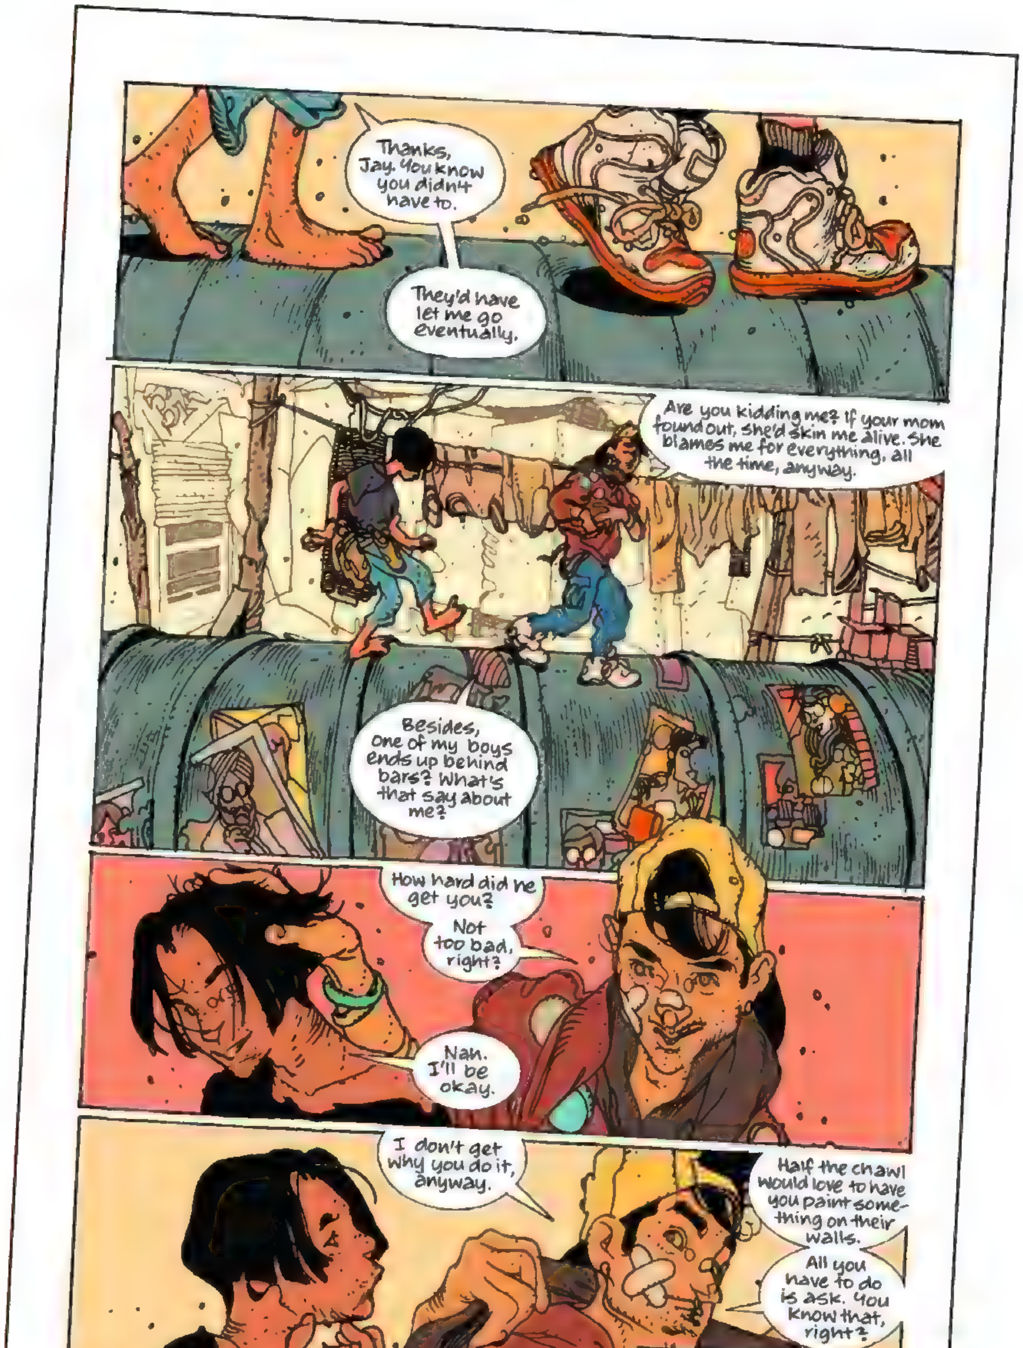
A coming-of-age graphic novel about rebellion, ambition, self-expression, and acceptance, expertly painted against the backdrop of Mumbai's ever-changing and evolving street culture. Giving brief glimpses into the incandescent lives of four teens chasing their dreams impeded and inspired by the impossible city that they live in.

- From rising comic-book stars Anand RK and Ram V (*Paradiso, These Savage Shores, Batman Secret Files*).



Thanks, Jay. You know you didn't have to.
They'd have let me go eventually.
Are you kidding me? If your mom found out, she'd skin me alive. She blames me for everything, all the time, anyway.
Besides, one of my boys ends up behind bars? What's that say about me?
How hard did he get you?
Not too bad, right?
Nah. I'll be okay.
I don't get why you do it, anyway.
Half the chawl would love to have you paint something on their walls.
All you have to do is ask. You know that, right?

The testimonies of six real survivors of the Holocaust are portrayed in comics, illustrating the persecutions in the Ghetto, the dehumanization in the concentration camps, and the industrial-scale mass murder taking place in the extermination camps.

These survivors were children then, and are still alive to tell what happened to them and their families. How they survived. What they lost—and how you keep on living, despite it all.

Book five has the Kurosagi gang running into ever more bizarre incidents of modern horror, from mind-control mouse hats, to taxpayer-supported torture museums, to the most feared calamity of all . . . jury duty! Meanwhile, it seems a gang of corpse-clearing impostors is out to take away their meager business—and in America, someone's made a cartoon series based off them . . . ?! Plus, three previously unpublished stories: a client whose psychological syndrome makes her believe she's dead, the mad robot scientist trio invents a zombie biker gang, and fugitives from a deadly cult hide out in the radioactive ruins of Fukushima!

INTERVIEW WITH IAN FLYNN
SONIC THE HEDGEHOG

© SEGA

Q: It's been almost two years since you pitched the "Metal Virus Saga." How does it feel now that it's coming to fruition and you'll be seeing it in print?

IF: A little surreal, to be honest. This is easily one of the darkest, highest-stakes stories I've told with Sonic. We've pushed the envelope so far, it's fallen off the table, and we're not done yet! It's exciting to be taking Sonic stories to new extremes.

Q: With the 2nd anniversary of Sonic at IDW, what are some things that will be happening?

IF: The Metal Virus plague is going to continue to spread, and our heroes are steadily getting backed into a corner. And just when you think it can't get any worse, there's a twist that'll bring the crisis to a whole new panic mode. It's going to be fun!

Q: How does the recent *Tangle & Whisper* miniseries factor into this new book?

IF: Tangle and Whisper's adventures take place roughly after *Sonic the Hedgehog* #16, before the Metal Virus has really become a problem. We'll be learning a lot about them both, especially Whisper, before they come back into the main storyline.

Q: What's the coolest Sonic thing you've seen lately?

IF: The official Tangle and Whisper pins on the Sega Shop!

Q: For people who want to start reading *Sonic the Hedgehog*, what do they need to catch up on including games, comics, and more?

IF: If you know Sonic is fast and Eggman is bad, you've got the basics down already. Each issue comes with a quick recap to let you know what's going on, so you should be able to follow along with any issue. If you're a hardcore fan, though, you'll enjoy all the little references we make to the series and seeing all your favorite characters show up!

BURNHAM AND LAU TALK CHAOS! IN HYBORIA!

Erik, welcome to the Chaos! Were you familiar with any of these characters back in the day?

I got to read some Evil Ernie at a friend's house way back in my high school days. I got a kick out of it – but I didn't have reliable access to a local comic shop in the hinterlands. But Wizard magazine, which was everywhere, did show me all the new characters as they popped up. With help from my editor Matt Idelson, I've done all the research! He asked if I wanted to have some fun – and with a crossover like this, I aim to do just that.

While we're at it, how about a roll call! Who is in this book?

Funny story – the cast expanded while I was writing the synopsis, then expanded again while I was re-writing the synopsis to include the original expansion! You'll see… I think I may want to play it close to the vest. Given the mechanics of the plot, I don't want to blow any surprises. Astute fans can probably make a pretty good guess at who will show up on the final call sheet. [Check out Alan Quah's cover for some clues!]

We imagine that most of the Chaos! folks will not be fast friends with Red Sonja, but can we expect some to side with our heroine?

Oh, I think we can expect, yes, that Sonja's quest in this series will align with at least one of the Chaos! characters. A fight here, a common goal there... but I don't think we're going to get through it with Sonja as a "friend" to any of them. She's going to be in a bad mood anyway, given the mission she's on, and what success would mean... so we'll see if we even get into the ballpark of grudging respect!

How has it been working with the creative team, and especially getting to see Jonathan bring these scenes of horror and action to the page?

I'm psyched with what he's doing – Jonathan's work is top-notch, detailed, evocative and kinetic. I so can't wait to make him angry—er, inspire him with the forthcoming scripts! (He's gonna knock this book straight out of the park!)

Jonathan, you've drawn the She-Devil with a Sword before, even with Erik not too long ago. Though you've never taken a crack at the Chaos! crew. Which one is your favorite to draw? We imagine fans can expect a TON of action, right?

I remember on my first Red Sonja comic I decided to change her hairstyle. I wanted her to look savage, like having a lion's mane instead of something out of a beauty salon. That has made it personal for me ever since. As for the Chaos characters, honestly I've had to get familiar with them. Evil Ernie may be the most interesting to draw, especially that smoking rib cage of his.

Almost all the time, the writers gave me artistic freedom when it comes to the fight scenes. "Hey Jon, I leave to you these 3-5 pages, as long as this guy wins but loses an arm in the last panel." My mission has always been to bring big action back into comics which is sorely lacking in the dialogue-heavy style of comics nowadays.

Nancy Drew is seventeen and good at everything...ESPECIALLY solving crimes. KIDZ #1

COMIC | 32 PAGES | COLOR | MATURE | ACTION/ADVENTURE, HORROR, FANTASY | $3.99 | JAN 15

WRITER: **AURELIÉN DUCODRAY** | ARTIST: **JOCELYN JORET**

These KIDZ are foul mouthed, raising hell and doing battle with the living dead!

It's been three months since a terrible epidemic turned the population into zombies hungry for fresh meat. Only after devouring almost all of humanity, the undead themselves begin to wither and fall from famine... Somewhere in a suburban town, Ben, 10 years old and still traumatized by the death of his parents, forms with his friends the last bastion of humanity. And between hunting zombie survivors, expeditions to amass food, toys and comics--all filmed by the aptly named Spielberg--life flows rather peacefully in their world.

Until something worse than a nuclear disaster or the 4 flashing red rings of death on an Xbox 360 hits their small community: two girls! Accustomed to chilling by the pool, eating chocolate bars and playing video games... how will the boys react to Polly's bizarre new customs and little sister Sue?

Aurélien Ducoudray and Jocelyn Joret bring you the zombie apocalypse from a kid's point-of-view in this pop culture mash up brimming with an 80's vibe.

KIDZ is *Stranger Things* meets *Welcome to Zombieland* on a Gorillaz soundtrack!

It's been three months since a terrible epidemic turned the population into zombies hungry for fresh meat. Only after devouring almost all of humanity, the undead themselves begin to wither and fall from famine... Somewhere in a suburban town, Ben, 10 years old and still traumatized by the death of his parents, forms with his friends the last bastion of humanity. And between hunting zombie survivors, expeditions to amass food, toys and comics, all filmed by the aptly named Spielberg, life flows rather peacefully in their world. Until something worse than a nuclear disaster or the 4 flashing red rings of death on an Xbox 360 hits their small community: two girls! Accustomed to chilling by the pool, eating chocolate bars and playing video games, how will the boys react to Polly's bizarre new customs and little sister Sue? (STL141833)

OCTAVIA E. BUTLER'S
KINDRED

A graphic-novel adaptation of Octavia E. Butler's groundbreaking science-fiction classic offers an unflinching look at slavery, race, and the role of women in society. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. Oliver Flores has had every single decision in his life taken from him. First by the aliens that abducted him. Then by the authorities who wanted to put him in a mental asylum. And now by this bizarre cult leader who just wants to use him. It's time for Oliver to stand up for himself. It's time for him to face his fears. If Oliver wants a life worth living then he has to make it for himself. The only problem is…will it cost him everything that he has left?

Based on a true story from writer Eliot Rahal (HOT LUNCH SPECIAL), with out-of-this-world art from Clara Meath, MIDNIGHT VISTA will make you believe in little grey men.

"A solid sci-fi tale that should be taken up by all readers." — Patrick Hayes, SciFiPulse

Conspiracy theories, government corruption, and a really good mixtape of Prince drives David Corey to help solve the mysterious disappearance of a famous politician's son. When David realizes that the truth is much more dangerous than a kidnapping, he must battle ancient secrets that have endangered the lives of children for centuries. This conspiracy-fueled adventure story looks at the darker side of American history through the eyes of an unlikely team of heroes. If they fail, the American government and its people may not survive.

From Stephanie Phillips (*Devil Within*, *Kicking Ice*) and Evgeniy Bornyakov (YOU ARE OBSOLETE, *Meteora*, *Ziggy*), DESCENDENT investigates the missing link between a mysterious cult and disappearing children. This volume collects issues #1-5.

"...absolutely immersive and riveting, driven as it is by realistic characters and a great core mystery." — Zack Quaintance, Comics Bookcase

One day all the adults died, all over the world, at the same time.

Now it's twenty years later, and the children—all grown up—are still rebuilding the world. Horses and caravans are the only thin lines connecting tiny, scattered settlements—little sparks in the great dark night. Gasoline is gone, phones long dead, television a memory. The only power in America is the New Church, the religion of the angry children, that blames the destruction of the old world on the dead adults.

In the settlement of Dallastown, a stranger comes riding in, telling a story of escape from the New Church's unstoppable Firemen. The Church is on the march, and the world might burn again—and the only hope might be a scared teenage girl, a gunslinger keeping his secrets, and a woman of few words and long knives. Welcome to the Orphan Age.

Written by Ted Anderson (MOTH & WHISPER, *My Little Pony*, *Adventure Time*) with art by Nuno Plati (*Alpha: Big Time*, *Marvel Girl*), this volume collects issues #1-5.

"...subtle post-apocalyptic themes, great characterization, and cleverly constructed art." — Rowan Grover, Multiversity Comics

The Life and Legacy of Mister Rogers

FRED'S BIG FEELINGS: THE LIFE AND LEGACY OF MISTER ROGERS HC

(W) Laura Renauld
(A) Brigette Barrager

Fred Rogers was a quiet boy with big feelings. Sometimes, he felt scared or lonely; at other times, he was playful and joyous. When Fred's feelings felt too big, his Grandfather McFeely knew exactly what to say to make him feel better: I like you just the way you are. Fred grew up and created *Mister Rogers' Neighborhood*, the television program that would go on to warm the hearts and homes of millions of Americans. One day, the government threatened to cut funding for public television, including Fred's show. So, Fred stepped off the set and into a hearing on Capitol Hill to make his feelings known. In a portrait full of warmth and feeling, Laura Renauld and award-winning illustrator Brigette Barrager tell the story of Mister Rogers: a quiet, compassionate hero whose essential message - that it is okay to have and to express feelings - still resonates today. About: Collecting *The Courtyard* and *Neonomicon*, this epic tome has all of the stories that lead into *Providence*! Comic book legend Alan Moore and brilliant artist Jacen Burrows deliver a chilling tale of Lovecraftian horror! Brears and Lamper, two young and cocky FBI agents, investigate a fresh series of ritual murders somehow tied to the final undercover assignment of Aldo Sax—the once golden boy of the Bureau, now a convicted killer and inmate of a maximum security prison. From their interrogation of Sax to a related drug raid on a seedy rock club, they suspect that they are on the trail of something awful... but nothing can prepare them for the creeping insanity and unspeakable terrors they will face in the small harbor town of Innsmouth.

LOUD

written & illustrated by **MARIA LLOVET**

| $16.99 | HARDCOVER | 104 pgs | Full Color | Original Graphic Novel | MATURE |

The LOUD nightclub. A latecomer stripper, a pissed waitress, a hitmen couple, a suspension bondage performer, a pregnant teenager, a clan of vampires, a pedophile, a lesbian junkie, a divorcing middle-aged woman, a sadistic dominatrix, and many other souls in search of love, drugs, and blood converge at the hottest club in town on a night that none will ever forget. If they survive.

LOUD is like THE HUNGER if directed by Tarantino -- a stylish, tripped-out bloodbath of beautiful and vicious decadence.

You'll feel the beat throbbing in your skull, smell the sweat, taste the blood, and lose yourself in the wicked underworld masterfully wrought by MARIA LLOVET ("Faithless").

Lovingly designed for release as a hardbound edition, LOUD is the kind of book that will get into your spine and give you flashbacks twenty years later, you'll turn to your friend and say "remember when comics had guts and creators made books like LOUD?"

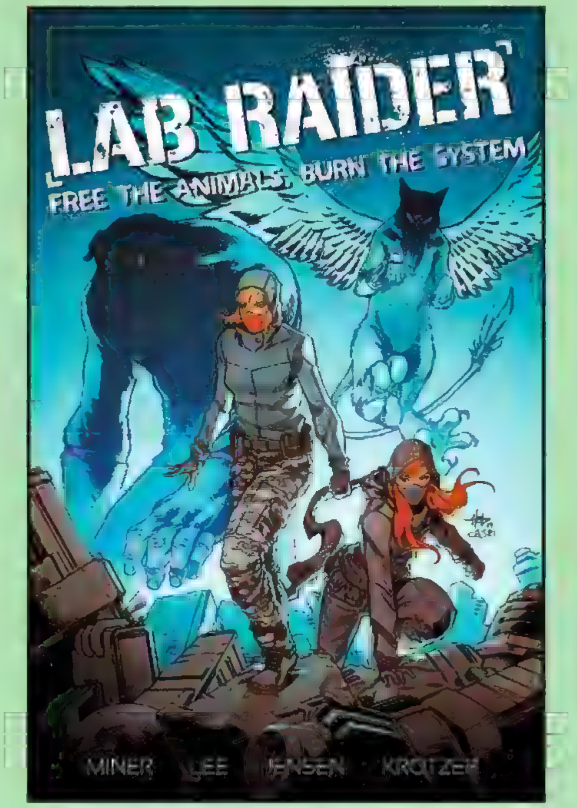
(writer) **MATT MINER** (artist) **CREEES LEE** (colorist) **JOSHUA JENSEN**
$16.99 | 112 pages | Full Color | Mature | Collects issues 1-4



A pair of young vigilantes break into a shady laboratory where bizarre tests are being run on animals. What at first seems like a simple rescue mission becomes more dangerous when they stumble on secret military experiments, discovering to their horror that the animals they sought to help have been turned into something different, something monstrous... and, once the cages are opened, Jeanette and Sarah quickly become the prey of these weaponized beasts. This high-octane action comic blends vigilante heroics with sci-fi horror for a brutal new adventure.

BAKING WITH KAFKA
Comics by Tom Gauld

BAKING WITH KAFKA HC

(W/A/CA) Tom Gauld

In his inimitable style, British cartoonist Tom Gauld has opened comics to a crossover audience and challenged perceptions of what the medium can be. From sarcastic panels about the health hazards of being a best-selling writer to a list of magical items for fantasy writers (such as the Amulet of Attraction, which summons mainstream acceptance, Hollywood money, and fresh coffee), Gauld's cartoons are timely and droll - his trademark British humor, impeccable timing, and distinctive visual style sets him apart from the rest. Twenty years in the making, legendary Canadian cartoonist Seth's landmark series *Clyde Fans* shows the rituals, hopes, and delusions of a middle-class that has long ceased to exist in North America. Abe and Simon Matchcard are brothers, the second generation struggling to save their archaic family business. Much like the myth of an ever-growing economy, their family unit is a fraud — the patriarch has abandoned the business to mismatched sons, one who strives to keep the business afloat and the other who retreats into the arms of the remaining parent. Presented in a deluxe slipcase edition, *Clyde Fans* is an epic time capsule of a storyline that begs rereading. (STL111130)

Hark! A Vagrant is an uproarious romp through history and literature seen through the sharp, contemporary lens of New Yorker cartoonist and comics-sensation Kate Beaton. No era nor tome is left unscathed as Beaton rightly skewers the Western World's revolutionaries, leaders, sycophants, and suffragists while equally honing her wit on the hapless heroes, heroines, and villains of the best-loved fiction. In just four years, Beaton has taken the comics world by storm with her non sequiturs, cheeky comebacks, and irreverent punch lines. (STK450234)

Hot Comb offers a poignant glimpse into Black women's lives and coming of age stories as seen across a crowded, ammonia-scented hair salon while ladies gossip and bond over the burn. The titular story is about a young girl's first perm-a doomed ploy to look cool and to stop seeming "too white" in the all-black neighborhood her family has just moved to. Realizations about race, class, and the imperfections of identity swirl through Flowers' stories, which are by turns sweet, insightful, and heartbreaking. (STL114404)

(W/A/CA) Seth

While trying to understand his ennui, Seth discovers the life and work of Kalo, a forgotten *New Yorker* cartoonist from the 1940s. But his obsession blinds him to the needs of his lover and the quiet desperation of his family. Wry self-reflection and moody colors characterize this tale about learning lessons from nostalgia. His playful and sophisticated experiment with memoir provoked a furious debate among cartoon historians and archivists about the existence of Kalo, and prompted a Details feature about Seth's "hoax." THE UNQUOTABLE TRUMP GN

(W/A/CA) R. Sikoryak

R. Sikoryak is famous for taking classic comics and mashing them with famous literature as he did in *Masterpiece Comics*. In these uncertain times, cartoonist R. Sikoryak draws upon the power of comics and satire to frame President Trump and his controversial declarations as the words and actions of the most notable villains and antagonists in comic book history. Reimagining the most famous comic covers, Sikoryak transforms Wonder Woman into Nasty Woman; Tubby Tompkins into Trump; Black Panther into the Black Voter; the Fantastic Four into the Hombres Fantasticos and Trump into Magneto fighting the Ex-Men. In perfect Trumpian fashion, *The Unquotable Trump* is a 48-page treasury annual, needlessly oversized and garishly colored; a throw-back to the past when both Comics and America were Great. SHOWA: A HISTORY OF JAPAN GN

(W/A/CA) Shigeru Mizuki

Showa: A History of Japan is the Shigeru Mizuki's meticulously researched historical portrait of twentieth-century Japan. These 560-page volumes chart Japan's national history from the decades before World War II through the war, its defeat and occupation, and rebirth alongside the personal stories of the individuals living their lives against this momentous history. With his trusty narrator Rat Man, Mizuki brings history into the realm of the personal, making it palatable, and indeed compelling, for young audiences as well as more mature readers. (STK622625)

WOMAN WORLD GN

(W/A/CA) Aminder Dhaliwal

With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers. When a birth defect wipes out the planet's entire population of men, Woman World rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. *Woman World* is an uproarious and insightful graphic novel from a talented and funny new voice. UNDERGROUND SKETCHBOOK

By Tomi Ungerer;
Introduction by Steve Brodner
$19.99 / HC / 160 pgs / two-color /10.25" × 7.25"

Originally published in 1964, children's book illustrator Tomi Ungerer's *Underground Sketchbook* let loose a blast of social commentary, dada-esque observations, and existential angst, raging against avarice, unfettered consumerism, alienation, the mechanization of human experience, and the acquiescence to the worst instincts that fuel a modern economy — as timely now as it was then. This is as powerful a dose of visual ingenuity, moral outrage, and bemused disgust at the human comedy that you are ever likely to experience.

GOBLIN GIRL

By Moa Romanova;
Translated by Melissa Bowers
$24.99 / HC / 184 pgs / FC / 7.66" × 10.3"

When young, broke and depressed Moa matches with a 53 year old celebrity on Tinder, he immediately gives her the validation, and motivation she is seeking, even encouraging her artistic ambition by offering financial support. However, Moa soon discovers that her would-be savior is not motivated by philanthropy, as the relationship grows more troubling. Romanova delivers a thought provoking, funny, and highly relatable autobiography, announcing Romanova as a powerful new voice in contemporary graphic novels.

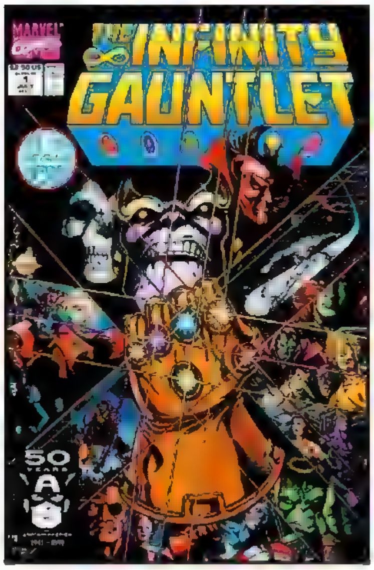
What Grabs You?

Collecting the Common and the Unique



One of the great things about going through the market reports in *The Overstreet Comic Book Price Guide* #49 – like every year in the *Guide* – is finding all of the different takes on collecting. There are many things that stores across the country (and even the world) have in common, but there are also things that make them as unique as the collectors who visit them.

"Coliseum of Comics (like most stores), with so many comic book movies and TV shows, is always scrambling to keep up with ever-changing demand for characters' stories and events. We've sold many *Infinity Gauntlet* #1 for $90, *Infinity Gauntlet* #4 for $60, *Avenging Spider-Man* #9 for $200, sold a *Marvel Tails* (Peter Porker) #1 for $100 before I realized that was too low. Now *New Avengers* #27 (1st Clint Barton as Ronin) are disappearing fast," said Coliseum of Comics' Jack Copley.

"People are also looking for other cool ways to grow their collections. Some focus on the first appearances of female heroes, and we have a regular working on the Collector or just Hulk appearances. I was surprised how well we did with a *Strange Tales* collection (#101-135)," Copely said.

Veteran dealer David T. Alexander backs up that assertion with some specific examples. He describes finding new levels of interest in comics that feature auto racing stories, issues that feature women in Hawaiian clothing, religious theme issues, Western comics with characters that appeared in films prior to WW II, Big Little Books, pulp magazines with iconic war, mystery and sci-fi covers, foreign comics published in 1955 and earlier, comics that have never been documented in the *Guide,* and more.

This column appears each month in *PREVIEWS* alongside an almost impossibly cool, overwhelming slate of offerings. If we accept the idea that we can't collect everything – and most of us are forced to accept that sooner or later – we have to decide what items or characters we believe our collections must have. That's part of the fun, isn't it?

OVERSTREET MVC MOST VALUABLE COMICS

Tales of Suspense #57

Cover Price: 12¢

1970 Overstreet Price: 65¢

2019 Overstreet Price: $2,900

Known for: The debut of Clint Barton, better known as Hawkeye! In his debut story, Hawkeye faces off against Iron Man and is able to hold his own against the superhero by using a variety of trick arrows and expert marksmanship. However, neither man is able to defeat the other and both instead escape the battle.

Did You Know?: Hawkeye was actually introduced as a villain (though a reluctant one) in his first appearance. He appeared twice more in an antagonistic role before deciding to shoot a little straighter (so to speak) and join the Avengers in 1965. And though he's best-known as Hawkeye, Clint has taken on numerous other names over the years, including Goliath, Golden Archer, and Ronin.

When Heritage Auctions dropped the hammer on the second part of The David Hall T206 Collection on September 19, 2019, it was worthy of the record books.

The set was led with a $540,000 result for the T206 Honus Wagner, easily taking the record for that card in a PSA authentic grade. The rare Ty Cobb Tobacco tin, the only non-cardboard piece in the sale, also bested all previous results with a $144,000 result.

"We're so happy for David," said Chris Ivy, Director of Heritage Sports. "He's one of the hobby's most important pioneers, and the ultra-hot market for PSA-graded cards today is a validation of his life's work. It's a golden era for high-grade and low-population trading cards because of the structure he innovated."

The set was ranked No. 2 on the PSA Current Finest registry before the auction scattered its components to bidders.

(A) Lily Williams, Karen Schneemann

When four best friends notice that the boys have brand-new football uniforms and equipment while the girls bathrooms are still shamefully bereft of feminine hygiene products, they decide to take matters into their own hands. They petition, they write letters, they make **noise**, and eventually maybe even go a little too far. This hilarious, poignant, and fresh coming-of-age story chronicles a year in the life of these four young women, from friends, to fights, to first crushes as they navigate the treacherous landscape of freshman year and learn that some fights are worth all the trouble. BLASTOSAURUS #7

(W) Richard Fairgray, Paul Elding
(A/CA) Richard Fairgray

It's hard to go unnoticed when you stick out like a green thumb, but our saurian leading man is still insisting he keeps his existence a secret. That would probably be easier if every mutant and monster in town didn't seem to track him down, or if Richard and Tabitha would stop getting into trouble with potential supervillains, or (and this one really counts) if he didn't keep getting photographed every time he left the laundromat. Our hero's privacy comes crashing down as a blob with all the information of the internet, but no nuance or context, wreaks havoc on Freak Out City! (STL141816)

Each book in the series is based on the *Dark Shadows* television serial created by Dan Curtis and was written by prolific fiction author William Edward Daniel Ross under the pen name of Marilyn Ross.

The forerunner to today's immensely popular vampire and supernatural themed television programs and theatrical films, *Dark Shadows* still garners serious attention as an iconic TV show with a devoted cult following and will return in a new weekly primetime version in 2020. Initially focusing on young governess Victoria Winters and the mysterious happenings at the isolated New England estate Collinwood, the stories gradually shift to emphasize tormented vampire Barnabas Collins.

Hermes Press' complete reprint of the 1966-72 series of *Dark Shadows* novels makes the entire collection of these classic books available once again to fans of gothic romance, suspense and alluring tales and compelling characters of *Dark Shadows*.

Subsequent reprints of books #2-32 will follow in pairs on a bi-monthly basis throughout 2020-21.

Dark Shadows: The Complete Paperback Library Reprint #1, "Dark Shadows,"; $14.99; written by Marilyn Ross; paperback; 6 x 8 inches; printed text; archival edition; first in a series of 32 novels; 160 pages; available in January, 2020.

Long ago in March of 2019, a gothic young woman had an idea. It was, perhaps, a lazy idea, but aren't all the best ones? After all, lazy is just another word for efficient.

And thus, a comic idea was born...The Lazy Goth! The Lazy Goth explores the particular struggles of being an unmotivated goth in a world of motivated people. Featuring The Lazy Goth with guest appearances by Fester the Cat and Crow the...Crow.

How To Alienate Friends & Avoid People: The Lazy Goth Method is a graphic novel that not only depicts the struggles of being a square peg in a round hole, but celebrates it. Our hero is on a continuous journey to figure out her role in every aspect of life. Be it at home, work, on the internet, in relationships, or in her own feelings of self-worth and identity, The Lazy Goth discovers that no matter what, she is "enough."

BOWIE: STARDUST, RAYGUNS & MOONAGE DAYDREAMS HC

(W) Steve Horton (A) Michael Allred

Inspired by the one and only superhero, extraterrestrial, and rock and roll deity in history, *Bowie: Stardust, Rayguns, & Moonage Daydreams* is the original graphic memoir of the great Ziggy Stardust! In life, David Bowie was one of the most magnetic icons of modern pop culture, seducing generations of fans with both his music and his counterculture persona. In death, the cult of Bowie has only intensified. As a musician, Bowie's legacy is remarkable, but his place in the popular imagination is due to so much more than his music. As a visual performer, he defied classification with his psychedelic aesthetics, his larger-than-life image, and his way of hovering on the border of the surreal. *Bowie* chronicles the rise of Bowie's career from obscurity to fame; and paralleled by the rise and fall of his alter ego as well as the rise and fall of Ziggy Stardust. As the Spiders from Mars slowly implode, Bowie wrestles with his Ziggy persona. The outcome of this internal conflict will change not only David Bowie, but also, the world. Introduction by Neil Gaiman. Available in regular edition and ***PREVIEWS*** Exclusive hardcover editions. (STL135079) **Item has been previously solicited in *New to Order.*** (C: 0-1-0)

The Janes are back! For the very first time, *The Plain Janes* and *Janes in Love* are available bound up into one volume with a never-before-seen third story, *Janes Attack Back*. After getting caught in the midst of a terrorist attack on Metro City, artsy misfit Jane Beckles is forced to leave her beloved bustling metropolis for the boring suburb of Kent Waters. At first Jane thinks her life is over, but then she finds where she belongs: at the reject table in the cafeteria, along with Brain Jayne, Theater Jane, and sporty Polly Jane. United by only two things - a shared name and an all-too-relatable frustration with the adults around them - the girls form P.L.A.I.N., aka People Loving Art In Neighborhoods, a secret club dedicated to waking up their fellow citizens with guerrilla works of art scattered around town. But for Main Jane, the group is more than just a simple act of teenaged rebellion, it's an act of survival. In 1920s Japan, failed novelist Hitomi bears an uncanny resemblance to the son of a rich industrialist. Hitomi learns of the rich man's sudden death and creates a desperate plan, successfully impersonating the now-dead son. Hitomi takes over all aspects of the industrialist's life, including his company, his fortune, and eventually his wife. There he redirects the family's wealth to his own perverse aims. On a remote and mysterious island, he builds for himself a playground of hedonistic excess — replete with decadent feasts, orgies, and dark secrets. Stunning artwork by master manga artist Suehiro Maruo deftly illustrates this Japanese pulp classic in lush detail. (STK616098)

THE INITIATES GN

(W/A/CA) Etienne Davodeau

Etienne Davodeau is a comic artist. He doesn't know much about the world of wine-making. Richard Leroy is a wine-maker. He's rarely even read comics. But these two are full of good will and curiosity. Why do we choose to spend one's life writing and creating comics or producing wine? How and for whom do we do them? To answer these questions, for more than a year, Etienne went to work in Richard's vineyards and cellar. Richard, in return, leapt into the world of comics. *The Initiates* explores the nature of a man's vocation with a true life representation of it from two very different perspectives. (STL074324)

LULU ANEW HC

(W/A/CA) Etienne Davodeau

At the end of yet another unproductive job interview, Lulu, on a whim, takes off for the shore just to get away from it all. She's got a husband and kids left bewildered but it's nothing against them. This is just her time, getting away from the grind and being taken for granted with no other plan than savoring it. Surprised at her own temerity, she meets other people on the edge of the world. It wasn't meant to be for long. It wasn't meant to be anything but in the end, thrilling, fun, and possibly dangerous, this improvised experience will make of Lulu a different woman. (STK665000)

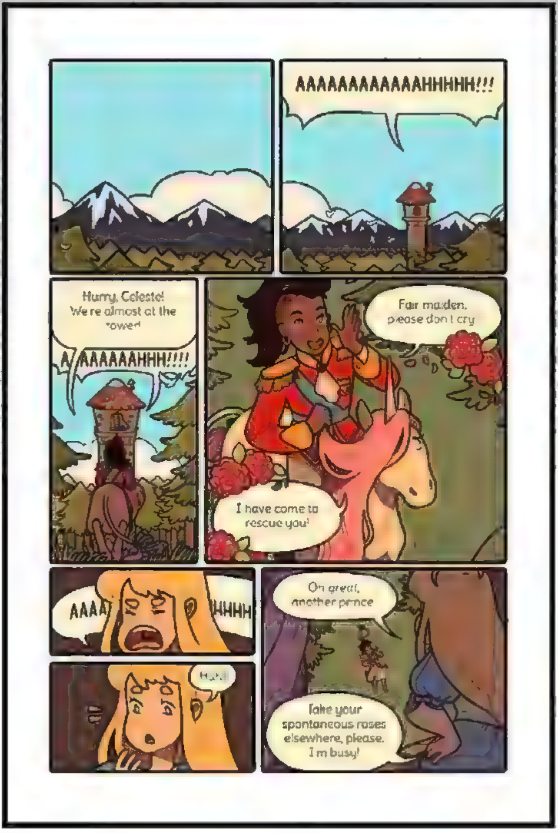
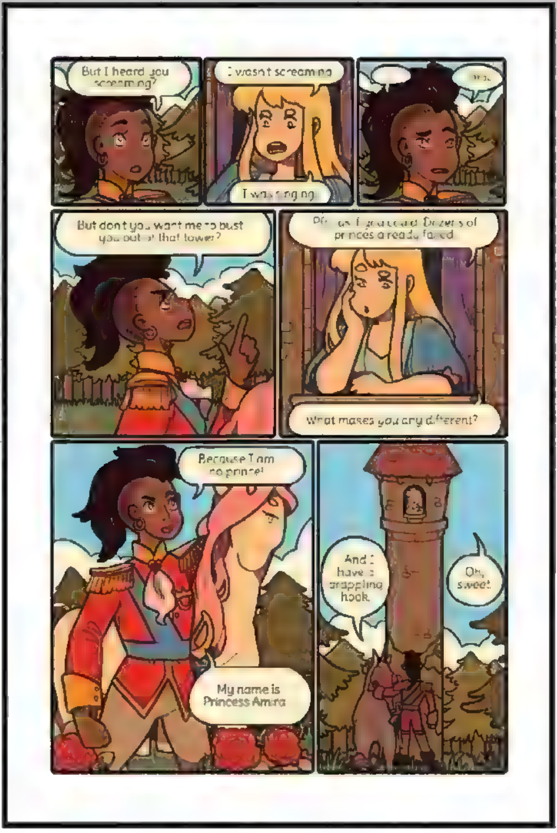
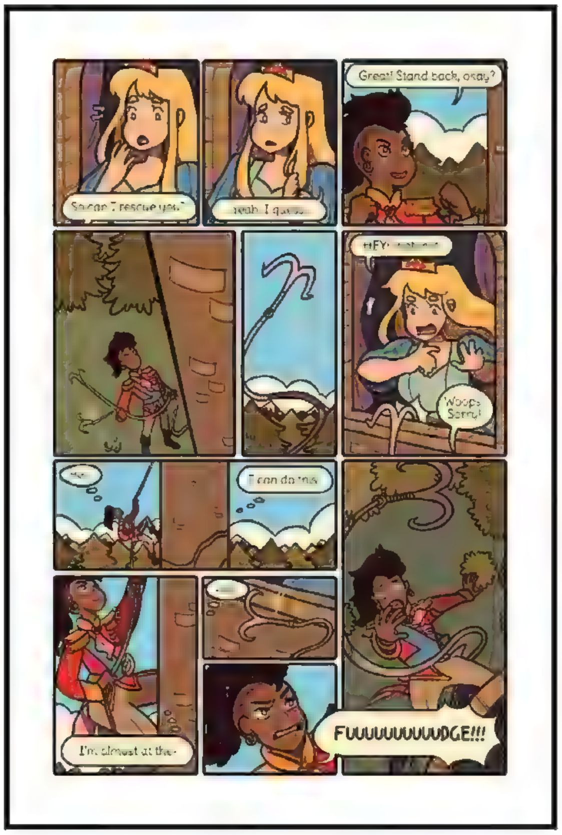
Yet as they adventure across the kingdom, they discover that they bring out the very best in the other person. They'll need to join forces and use all the know-how, kindness, and bravery they have in order to defeat their greatest foe yet: a jealous sorceress who wants to get rid of Sadie once and for all. Join Sadie and Amira, two very different princesses with very different strengths, on their journey to figure out what "happily ever after" really means—and how they can find it with each other.



AAAAAAAAAAAAAHHHHH!!!
Hurry, Celeste! We're almost at the tower!
AAAAAAAHHH!!!!
Fair maiden, please don't cry
I have come to rescue you!
AAAA HHHH
Huh?
Oh great, another prince
Take your spontaneous roses elsewhere, please. I'm busy!



But I heard you screaming?
I wasn't screaming
I was singing
But don't you want me to bust you out of that tower?
Dozens of princes already failed
What makes you any different?
Because I am no prince!
My name is Princess Amira
And I have a grappling hook.
Oh, sweet.



So can I rescue you?
Yeah, I guess...
Great! Stand back, okay?
HEY!
Woops Sorry!
I can do this
I'm almost at the-
FUUUUUUUUUDGE!!!

Thank you so much, Princess ?
It's Sadie
But um... How are we going to get down?
That... Is a really good question

AGE: **Children (9-12)**

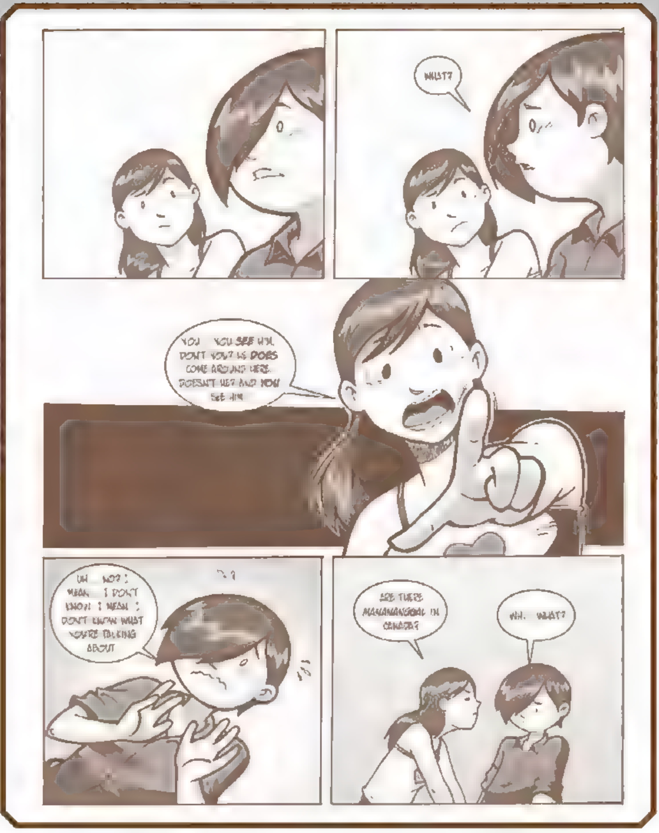
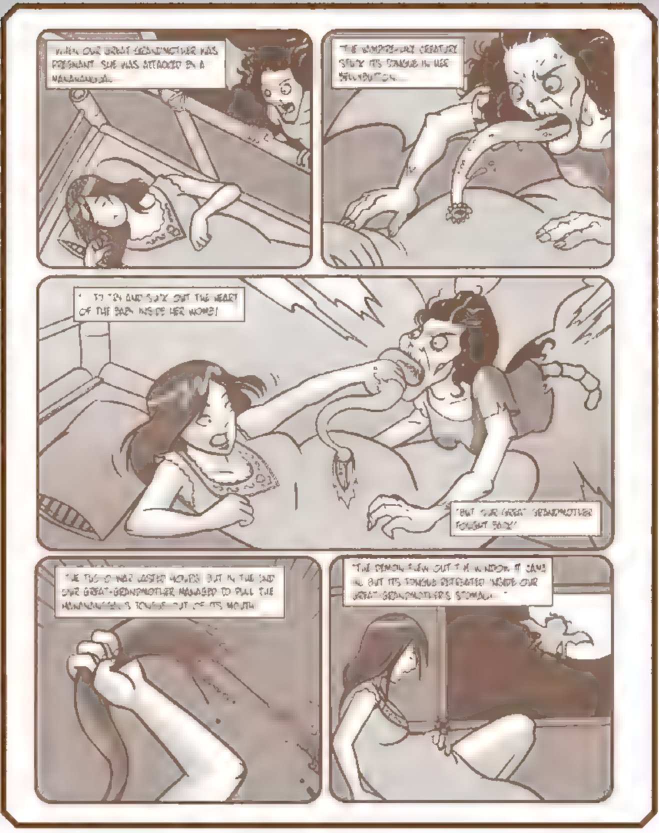
J. Torres and Elbert Or celebrate 10 years of *Lola: A Ghost Story*, the critically-acclaimed graphic novel that explores family, grief and Filipino folklore in an all-new edition that includes a revised ending and updated illustrations.

When Jesse's grandmother dies, he discovers he has the same otherworldly visions she did! They're frightening and terrifying, but Jesse will learn that they can also be helpful, especially as his family works through their own grief.

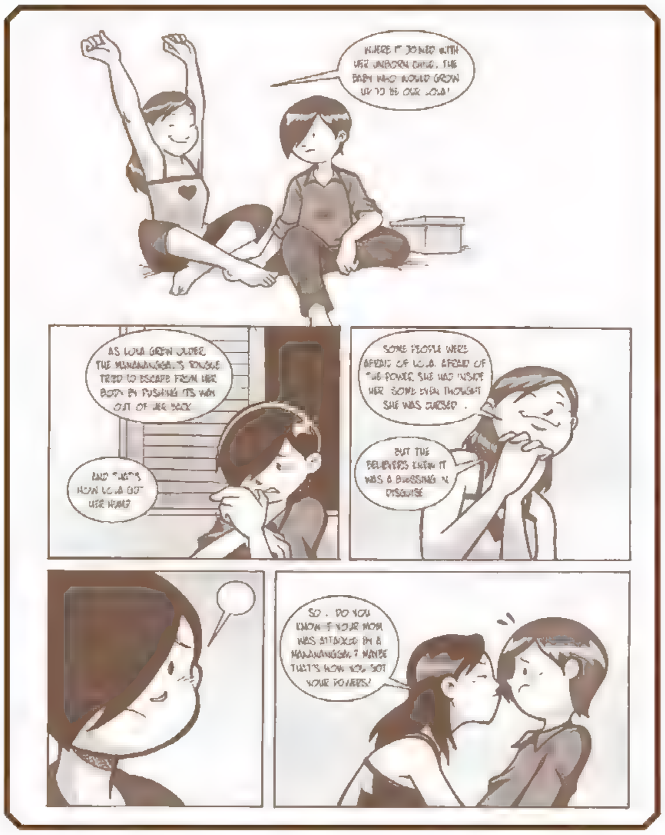
Including *ALL-NEW* revised ending!



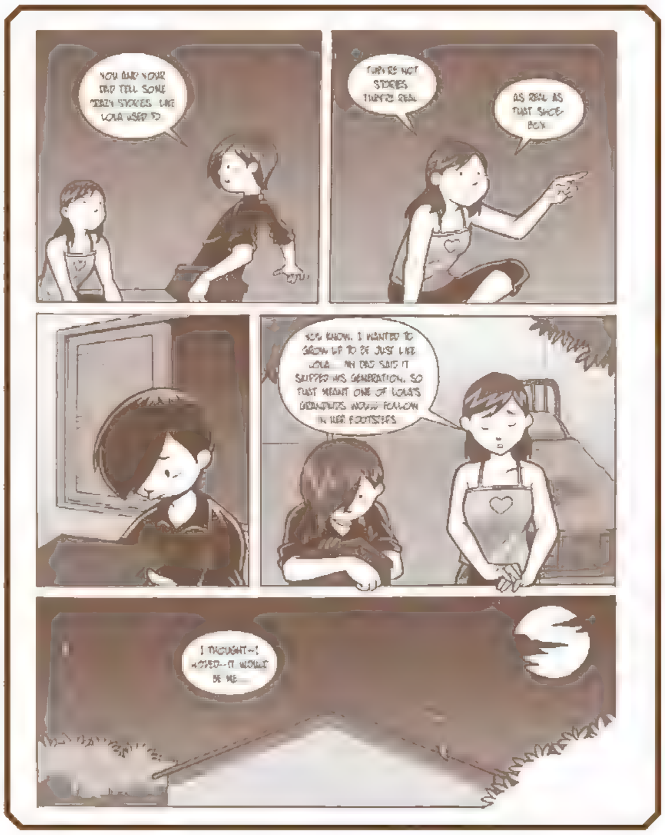
WHAT?
YOU... YOU SEE HIM, DON'T YOU? HE DOES COME AROUND HERE, DOESN'T HE? AND YOU SEE HIM.
UH... NO? I MEAN... I DON'T KNOW. I MEAN, I DON'T KNOW WHAT YOU'RE TALKING ABOUT.
ARE THERE MANANANGGAL IN CANADA?
WH... WHAT?



WHEN OUR GREAT GRANDMOTHER WAS PREGNANT, SHE WAS ATTACKED BY A MANANANGGAL...
THE VAMPIRE-LIKE CREATURE STUCK ITS TONGUE IN HER BELLYBUTTON...
...TO TRY AND SUCK OUT THE HEART OF THE BABY INSIDE HER WOMB!
BUT OUR GREAT GRANDMOTHER FOUGHT BACK!
THE TUG-O-WAR LASTED HOURS, BUT IN THE END OUR GREAT-GRANDMOTHER MANAGED TO PULL THE MANANANGGAL'S TONGUE OUT OF ITS MOUTH.
THE DEMON FLEW OUT THE WINDOW IT CAME IN, BUT ITS TONGUE RETREATED INSIDE OUR GREAT-GRANDMOTHER'S STOMACH...



WHERE IT JOINED WITH HER UNBORN CHILD. THE BABY WHO WOULD GROW UP TO BE OUR LOLA!
AS LOLA GREW OLDER, THE MANANANGGAL'S TONGUE TRIED TO ESCAPE FROM HER BODY BY PUSHING ITS WAY OUT OF HER BACK.
AND THAT'S HOW LOLA GOT HER HUMP?
SOME PEOPLE WERE AFRAID OF LOLA. AFRAID OF THE POWER SHE HAD INSIDE HER. SOME EVEN THOUGHT SHE WAS CURSED.
BUT THE BELIEVERS KNEW IT WAS A BLESSING IN DISGUISE.
SO... DO YOU KNOW IF YOUR MOM WAS ATTACKED BY A MANANANGGAL? MAYBE THAT'S HOW YOU GOT YOUR POWERS!



YOU AND YOUR DAD TELL SOME CRAZY STORIES. LIKE LOLA USED TO.
THEY'RE NOT STORIES. THEY'RE REAL.
AS REAL AS THAT SHOE-BOX.
YOU KNOW, I WANTED TO GROW UP TO BE JUST LIKE LOLA... MY DAD SAID IT SKIPPED HIS GENERATION, SO THAT MEANT ONE OF LOLA'S GRANDKIDS WOULD FOLLOW IN HER FOOTSTEPS.
I THOUGHT--I HOPED--IT WOULD BE ME...

(W) Jack Chambers (A) Esteve Polls

Join the invasion of Normandy with *D-Day*, a fully illustrated account of the Allied landing that changed the direction of World War II. The soldiers who stormed the beaches on June 6, 1944, paved the way for the liberation of Europe and forced Hitler to fight a war on two fronts. One of the largest amphibious military offensives of all time, more than 4,000 troops lost their lives that day to free Europe from Hitler's oppressive control. See what it was like for Allied soldiers to exit their landing craft and wade through the water under machine gunfire and exploding mortars. Their sacrifice and ultimate victory turned the tide of the Second World War. (STL128894) (C: 0-1-0)

DREAMING THE GRAPHIC NOVEL: THE NOVELIZATION OF COMICS SC
(W) Paul Williams
The term "graphic novel" was first coined in 1964, but it wouldn't be broadly used until the 1980s, when graphic novels such as *Watchmen* and *Maus* achieved commercial success and critical acclaim. *Dreaming the Graphic Novel* examines how notions of the graphic novel began to coalesce in the 1970s, a time of great change for American comics, with declining sales of mainstream periodicals, the arrival of specialty comics stores, and (at least initially) a thriving underground comix scene. Paul Williams investigates many texts that have fallen out of graphic novel history and demonstrates that what makes a text a 'graphic novel' was the subject of fierce debate among fans, creators, and publishers, inspiring arguments that are still taking place today. AMERICAN COMIC BOOK CHRONICLES: 1940-44 HC

AMERICAN COMIC BOOK CHRONICLES
THE 1940s
1940-1944

The *American Comic Book Chronicles* continues with this volume about the "Golden Age" of the comic book industry. It was a time when America's entry into World War II was presaged by the arrival of such patriotic do-gooders as Will Eisner's Uncle Sam, Harry Shorten and Irv Novick's The Shield, and Joe Simon and Jack Kirby's Captain America. It was when teenage culture found expression in a fumbling red-haired high school student named Archie Andrews. But most of all, the first five years of the 1940s was the age of the "packagers" when studios headed by men like Harry A Chesler, Will Eisner, and Jerry Iger churned out material for a plethora of new comic book companies that published the entire gamut of genres, from funny animal stories to crime tales to jungle sagas to science-fiction adventures. Ginseng Roots unearths the earliest recorded knowledge of ginseng and its healing properties. MANGAPEDIA: "TO TRANSLATE, OR NOT TO TRANSLATE"

FROM ONE PEACE BOOKS

Japanese-to-English translation comes with some unique hurdles. One of these is the use of honorifics. The most common honorific in the Japanese language is the suffix ***-san***, which roughly translates to Mr., Ms., or Mrs. in English.

But consider the suffix ***-san***, and other suffixes in Japanese, as a way to establish social standing and interpersonal relationships.

Other common suffixes include ***-chan*** and ***-kun***, which are used to show affection. Filo-chan is a core character in *The Rising of the Shield Hero* series. The addition of ***-chan*** to her name communicates the character is considered cute and somewhat child-like.

Also, very common in manga is the use of the suffix ***-senpai***, which most commonly indicates that an individual is an upperclassman in relation to the speaker. It can also mean anyone the speaker looks up to. In a school setting this is especially important. *I Hear the Sunspot* is a BL romance that begins within a school setting. The romantic tension between characters is often expressed through suffixes. In such settings, if a character refers to someone with the suffix ***-senpai***, the reader immediately understands the dynamic between the individuals speaking.

All of these suffixes can create important interpersonal dynamics in the narrative of manga that are not always possible to convey in English without some arbitrary and sometimes awkward workarounds in translation. But, as Japanese manga has become pervasive over time in American culture, so too has Japanese language elements within manga itself.

Surgery was followed by hospitalization. Nothing to laugh at you'd imagine, but Tom and Ellen continue to bounce humor off each other with Tom running the gauntlet of the doctors' ire to take Ellen out to see the trees and her favorite statue in the park, The Mad Maiden by Rik Wouters, inspired by dancer Isadora Duncan. TOY TALK: BRIAN VOLK-WEISS

This month, we turn our attentions away from industry insiders — the guys who create the Toys, Statues and items we love to collect — and focus on one of our own: collector Brian Volk-Weiss, creator of the hit Netflix series, ***THE TOYS THAT MADE US***. Brian turned his love for toys and collecting into the TV series we all love to watch, and in the period leading up to the release of Season 2, he sat down to talk about his inspiration for the series, his favorite toys, and more!

Season 3 of ***THE TOYS THAT MADE US*** is set to premiere on November 15th, exclusively on Netflix, featuring episodes covering such beloved toy lines as *Power Rangers*, Wrestling, *Teenage Mutant Ninja Turtles*, and *My Little Pony*!

NETFLIX
THE
TOYS

PREVIEWS: What was the inspiration behind your documentary series?

Brian Volk-Weiss: From around the age of five, my two huge loves were toys and history. So, starting off with that in my mindset from such an early age, I noticed it was very odd that one could go to a book store and see dozens of high end books about, for example, "The War of 1812", but close to no, or literally none, books about the origins of *Transformers* and *G.I. Joe*, *Hello Kitty*, and so on. So, my aim was to try to show people what those stories were and do it in a big way.

P: How did you convince Netflix to produce a documentary about toys?

BVW: It was about a year-long process that came after a 5-or-6-year attempt to get other companies to greenlight it. Long story short, I already knew a lot of people at Netflix because we produce a lot of stand-up comedy for them, so I just started bugging them about what some people at Netflix called "Brian's Toy Show" for a while. At some point, I was given some great notes on what kind of show Netflix would like to do about toys and we shot a 5 minute tape based on the toys from my personal collection, interviews we did with experts and fans, and backed those shoots into the notes we got from Netflix. We literally turned my living room into a "soundstage" to shoot the toys, and shot all the interviews in my local vintage toy store *Blast From The Past*.

P: Did toys influence your childhood?

BVW: Very much so! I was an only child, which meant I had a ton of time on my own, and it was toys that really were my brothers and sisters on long road trips or hotel rooms while visiting the Grand Canyon and such.

P: What is your current toy collection like?

BVW: Well, before *The Toys That Made Us*, I would say my collection grew at a rate of 1% a year, or less. Since we started making the show it's been growing at 2% to 3%, which is not good for my wallet! I'd say it's over 500 individual pieces, some an inch tall and others 2 feet in diameter.

P: What do you collect currently? Any modern lines that you really like?

BVW: The main lines that I collect are *Star Wars*, *G.I. Joe*, *Batman*, and many special items that NECA and companies like NECA make (*Terminator*, *Aliens*, etc.). I do collect modern lines, but for the most part they are connected to the vintage lines they are a part of. I have a huge *Clone Wars* collection that's almost as big as my *Star Wars* vintage collection!

P: Do you have a piece that holds a special sentimental value?

BVW: I have very few pieces left from my childhood, sadly. But of the few that I do have. I think the most important is my die cast *Millennium Falcon*, which I've probably had in my possession for at least 38 of my almost 42 years alive.

P: Do you have a 'Holy Grail' item?

BVW: I have a few… I very badly want the Mego bridge playset from *Star Trek: The Motion Picture*. I want a Kenner *TIE Bomber* die-cast ship. There's an extremely odd modular *U.S.S. Enterprise* where the nacelles can be connected to the saucer section and such that I want but have never even seen it in person. It's not that expensive, but I still don't have a *G.I. Joe Killer W.H.A.L.E.* hovercraft. I actually just got one of my 'Holy Grail' items this week: an unproduced *Gurney* figure from the LJN *Dune* line. Still can't believe I have one. Less than 10 known to exist, I think!

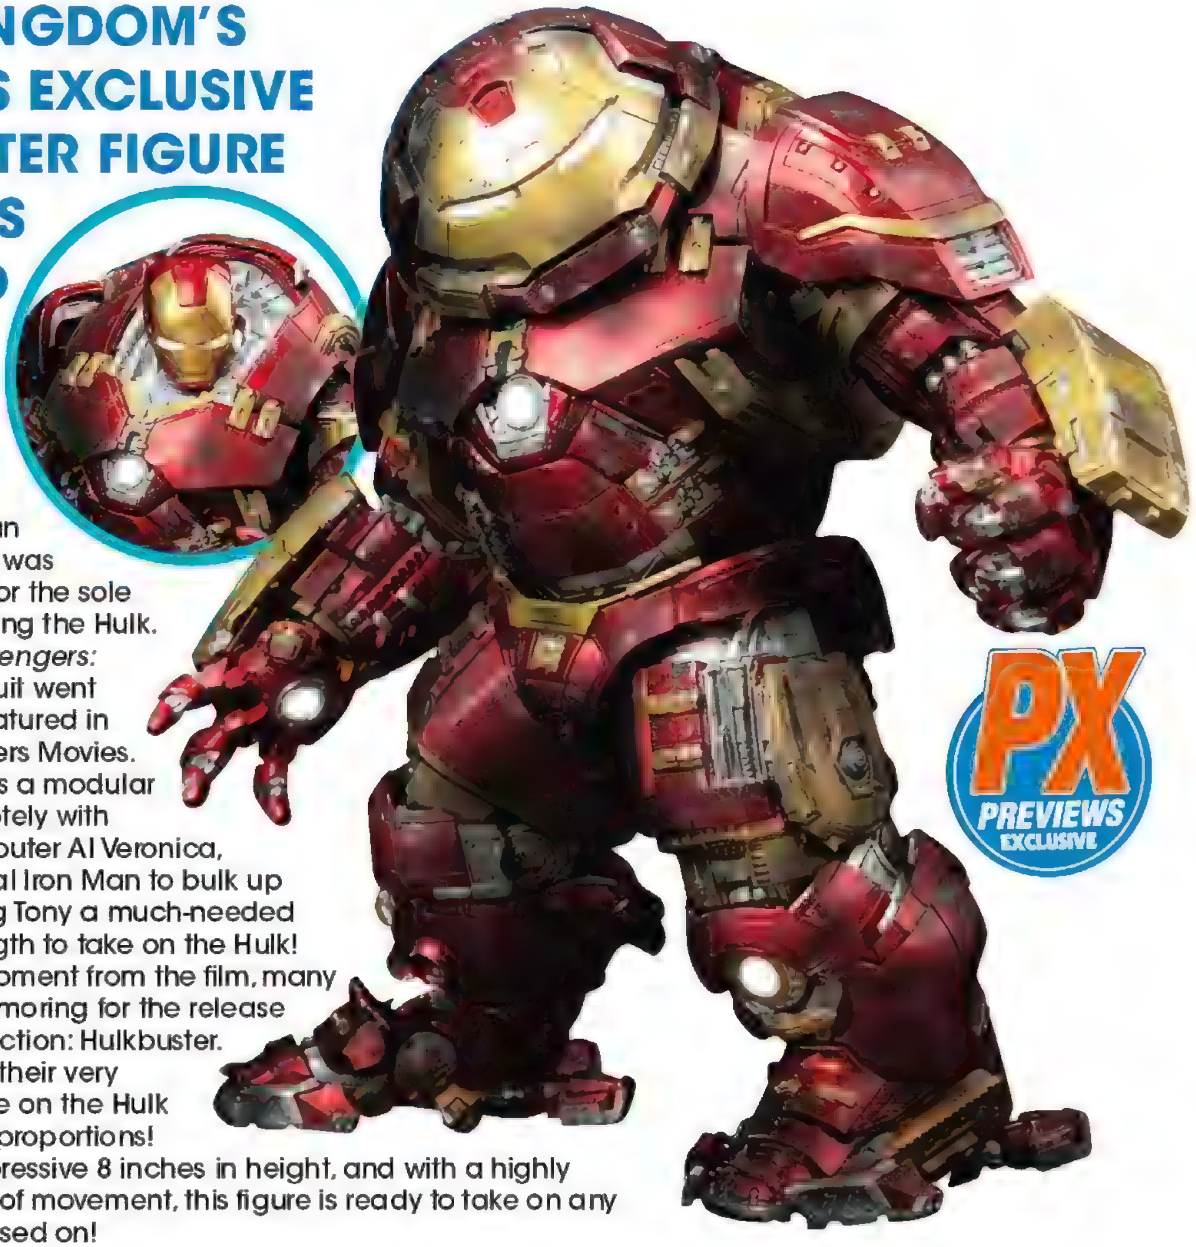
BEAST KINGDOM'S PREVIEWS EXCLUSIVE HULKBUSTER FIGURE BLASTS ITS WAY INTO COMIC SHOPS



Based on the Mark 44 version of Tony Stark's Iron Man Suit, the Hulkbuster was created originally for the sole purpose of restraining the Hulk. With its debut in *Avengers: Age of Ultron*, the suit went on to be heavily featured in subsequent Avengers Movies. In the film, the suit is a modular armor kit sent remotely with the aid of the computer AI Veronica, allowing the original Iron Man to bulk up considerably, giving Tony a much-needed boost in pure strength to take on the Hulk!

As a fan favorite moment from the film, many collectors were clamoring for the release of the Egg Attack Action: Hulkbuster. Now fans will have their very own chance to take on the Hulk in a dual of titanic proportions!

Standing at an impressive 8 inches in height, and with a highly articulate 20 joints of movement, this figure is ready to take on any mantlepiece it's posed on!

In addition to the highly detailed battle damaged paint work of the figure, the eyes, chest, palms, calves, and back propellers are all equipped with LED lighting. Bringing the figure to life and further cementing this as a premium Hulkbuster collectible. Plus, as an added bonus, the figure features an extra MK43 head hidden under the default Hulkbuster head, giving collectors the chance to show off Iron Man just like he's seen in the movie!

THE DARK CRYSTAL: ESSENCE BOTTLE PROP REPLICA

The grim fruit of malignant science, essence vials were small glass receptacles into which were distilled the drained life essences of captured Gelflings. A cruel invention of the Skeksis Scientist, SkekTek, essence draining was accomplished by strapping captives into a device which used the power of the sickening Crystal to suck from them their vital energies, collecting them in liquid form. These delicate flasks of life force were greedily consumed by the pernicious Skeksis, thereby artificially extending their own long, thin lives. The act was a vile betrayal of the power of the Crystal and of the Gelflings, who trusted their draconic lords with its custodianship and their own safety. The uncovering of this secret crime and its consequences will shake the foundations of Thra. The 1/1-scale Essence Vial joins Weta Workshop's exquisitely detailed range of *Dark Crystal* collectibles; a range that pays homage to the richly layered, fantastical world of Thra.
